Re: Notice of Plant/ Store Closing

Dear Ms. Johnson:

This notice is to inform you that Spartan Stores will be closing its VGs' store located at 50820 Schoenherr, Shelby Township, MI 48315. This notice is intended to comply with the requirements of the Worker Retraining and Notification Act (WARN). An employee at this employment site who has a WARN employment loss as a result of this closing, and who is given a required WARN notice less than 60 calendar days before the WARN employment loss date, will be paid, and benefits will continue, for the difference between 60 calendar days and the actual notice given to that employee.

The expected date of the first separations associated with this store's closing will be December 28, 2013, or within 14 days thereafter. The entire store will be permanently closed. There are no bumping rights available to store employees as a result of this closing.

Information concerning the affected positions and the number of employees within each position will be available at the store, should you wish to review it. For further information on the above, please contact me via e-mail, at [heather\\_baldwin@spartanstores.com](mailto:heather_baldwin@spartanstores.com) or, by phone, at (616)878-2239.

Sincerely,

A handwritten signature in cursive script that reads "Heather Baldwin".
