To Whom It May Concern,

This notice is being provided to you pursuant to the Worker Adjustment and Retraining Notification Act which requires employers to give official notice of a functional elimination/ closure within a single site location. Sprint has made the difficult decision to eliminate positions our at our Farmington Hills location located at 27755 Stansbury Blvd, Farmington Hills, Michigan 49546. Sprint will notify 56 employees at this location of job eliminations beginning August 22, 2013.

These layoffs will be permanent, meaning there will be no right of recall, and Sprint does not have a "bumping" policy. None of the affected employees are represented by a union.

We hope to accomplish this with the least possible disruption to the lives of our employees and the community. Affected employees have been notified of the layoff by management and a letter . A list of the affected positions is attached.

Should you have questions regarding this correspondence, please contact me at (913) 762-6776.

Sincerely,

Renee Finks  
HR Project/Program Manager
