

MI School Data News and Updates

Updated as of August 7, 2019

Coming Soon

- [College Readiness](#): 2018-19 data will be added to this report, which shows students' SAT performance in Mathematics and Evidence Based Reading and Writing.
- [English Learner Assessments](#): These reports showing how English Learners performed on the WIDA ACCESS assessment for ELs will be updated with percent and count of students proficient, levels of language proficiency achieved based on a scale of 1-6, and scaled scores for the 2018-19 school year.
- [Grades 3-8](#) and [High School Assessments](#): These reports will be updated with M-STEP, SAT and MI-Access data for the 2018-19 school year. PSAT data will also be added to Grades 3-8 Assessments beginning this year, and will show performance levels, scaled scores and proficiency data for 8th grade English and mathematics.
- [Parent Dashboard Performance metric](#): This metric will be updated with 2018-19 data showing the percent of students who earned proficient or advanced scores in various subjects on the M-STEP, MI-Access, SAT and 8th grade PSAT for a given school, compared with the statewide average, as well as the average percentage at similar schools.

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our [Report Calendar](#). Check the ticker on [MI School Data](#) for updated report release news.
