

## MI School Data News and Updates

### Updated as of December 1, 2021

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our [Report Calendar](#).

### Released to the Public 2020-21 Data

- The [School Grades](#) report is based on the Michigan School Grades System in which schools receive up to five letter grades and three ranking labels for various school performance components.
- The **English Learners Exited from English Learner Services** metric, which shows the number of students exited from EL services in a given school year, has been updated on the [English Learner Dashboard](#).
- **Length of Time Receiving English Learner Services** shows the median number of years students were enrolled in EL services before exiting. This metric has been updated on the [English Learner Dashboard](#) and the [Parent Dashboard](#).
- The [Top 30/Bottom 30 Analysis](#) report shows information on students who score in the top 30%, middle 40% or bottom 30% on state tests. The data are broken out into multiple subgroups including race/ethnicity, gender, grade, and program participation, which identifies if a student is economically disadvantaged, an English learner, homeless, or disabled.

### Coming Soon 2020-21 Data

- Student-level data will be available for secure users only in the Summative Accountability and English Learner Accountability files located on the [Accountability Downloads](#) page.
- The [Annual Education Report](#) displays detailed information on student assessment, accountability, educator qualifications, National Assessment of Educational Progress, and Section 1003 School Improvement funds for schools, districts, and the state.

- The [Early Childhood Program Participation](#) report shows the number of children enrolled in select early childhood programs prior to kindergarten.
- The **Former English Learner Students** metric on the [English Learner Dashboard](#) shows a cumulative count of all students at a selected location who exited from EL services since 2011-12.
- The following metrics on the [Parent Dashboard](#) will be updated:
  - **English Learner Participation** shows whether at least 95% of English Learner students took the WIDA test.
  - **English Learner Progress** shows the percent of English Learner students making progress on the WIDA test.
  - **Progress** shows the percent of students demonstrating progress on the SAT, PSAT, M-STEP and MI-Access state tests.
  - **Test Participation** shows whether at least 95% of enrolled students took state tests in all subjects.
- Head Start, GSRP and GSRP/Head Start Blend providers with secure accounts can use the [Third Grade Assessment Outcomes for Early Childhood Participants](#) report to see how students previously enrolled in their programs performed on third grade M-STEP assessments. M-STEP performance is shown in the aggregate according to proficiency level, as well as at the student level.
