**Rescission of Emergency Order**

To accommodate changing circumstances as the state continues to navigate the COVID-19 pandemic, it is appropriate to rescind certain emergency orders.

I therefore order that the Emergency Order dated October 6, 2020, available [at Michigan.gov/coronavirus](https://www.michigan.gov/coronavirus) entitled "Reporting of Confirmed and Probable Cases of COVID-19 at Schools" is rescinded in its entirety.

This order does not affect any proceedings or prosecutions based on the above order.

This Order is effective immediately.
