STIPULATION

The parties stipulate to the following:

1. The facts alleged in the formal complaint are true and constitute a violation of the administrative rules promulgated under the MRTMA.
2. Respondent understands and intends that by signing this stipulation, Respondent is waiving the right under the MRTMA, administrative rules promulgated thereunder, and the Administrative Procedures Act of 1969, MCL 24.201 *et seq.*, to require the CRA to prove the violations set forth in the formal complaint by presentation of evidence and legal authority, and to present a defense to the violations.
3. The parties considered the following in reaching this agreement:

4. The CRA's legal division director or her designee must approve this proposed agreement before it is forwarded to the CRA's executive director or his designee for review and issuance of the above consent order. The parties reserve the right to proceed to an administrative hearing without prejudice to either party, should the CRA's legal division director, executive director, or their designees reject the proposed consent order.

   By signing this stipulation, the parties confirm that they have read, understand, and agree with the terms of the consent order.
