Sec./Rule Order

R 333.209 Marihuana facility plan.

Rule 9. (1) An applicant shall submit a marihuana facility plan for the proposed marihuana facility as required in R 333.207 and upon request by the department. Upon the request of the department, an applicant or licensee may be required to submit a revised marihuana facility plan.

(2) The marihuana facility plan must include, but is not limited to, all of the following:

(a) The type of proposed marihuana facility, the location of the marihuana facility, a description of the municipality where the marihuana facility will be located, and any of the following, if applicable:

(i) A statement in the marihuana facility plan that a combination of state operating licenses will operate as separate marihuana facilities at the same location, as provided under R 333.232.

(ii) A statement in the marihuana facility plan that the applicant has or intends to apply to stack a license at the proposed marihuana facility as provided under R 333.220.

(b) A diagram of the marihuana facility including, but not limited to, all of the following:

(i) The proposed facility's size and dimensions.

(ii) Specifications of the marihuana facility.

(iii) Physical address.

(iv) Location of common entryways, doorways, or passageways.

(v) Means of public entry or exit.

(vi) Limited-access areas within the marihuana facility.

(vii) An indication of the distinct areas or structures for separate marihuana facilities at the same location as provided in R 333.232.

(c) A detailed floor plan and layout that includes all of the following:

(i) Dimensions of the marihuana facility including interior and exterior rooms.

(ii) Maximum storage capabilities.

(iii) Number of rooms.

(iv) Dividing structures.

(v) Fire walls.

(vi) Entrances and exits.

(vii) Locations of hazardous material storage.

(viii) Quantities of hazardous materials, such as chemical, flammable/combustible liquids and gases, and the expected daily consumption of the hazardous materials.

(d) Means of egress, including, but not limited to, delivery and transfer points.

(e) Construction details for structures and fire-rated construction for required walls.

(f) Building structure information, including but not limited to, new, pre-existing, freestanding, or fixed.

(g) Building type information, including but not limited to, commercial, warehouse, industrial, retail, converted property, house, building, mercantile building, pole barn, greenhouse, laboratory, or center.

(h) Zoning classification and zoning information.

(i) If the proposed marihuana facility is in a location that contains multiple tenants and any applicable occupancy restrictions.

(j) A proposed security plan that demonstrates the proposed marihuana facility meets the security requirements specified in R 333.235.

(k) Any other information required by the department if not inconsistent with the act and these rules.

(3) Any changes or modifications to the marihuana facility plan under this rule must be reported to the department and may require preapproval by the department.

(4) The department may provide a copy of the marihuana facility plan to the BFS, local fire department, and local law enforcement for use in pre-incident review and planning.

(5) The department may reinspect the marihuana facility to verify the plan at any time and may require that the plan be resubmitted upon renewal.

<p>R 17 Inspection Authority</p>	<p>R 333.217 Inspection; investigation.  Rule 17. (1) The department shall do all of the following with respect to inspections and investigations of applicants, licensees, proposed marihuana facilities, and marihuana facility operations:  (a) Oversee and conduct inspections through its investigators, agents, auditors, or the state police of proposed marihuana facilities and marihuana facilities as provided in section 303 of the act, MCL 333.27303, to ensure compliance with the act and these rules.  (b) Investigate individuals employed by marihuana facilities.  (c) Inspect and examine marihuana facilities and proposed marihuana facilities.  (d) Inspect, examine, and audit records of the licensee.  (2) The department may at any time, through its investigators, agents, auditors, or the state police, without a warrant and without notice to the licensee, enter the proposed marihuana facility or marihuana facility, offices, or other places of business of a licensee, if evidence of compliance or noncompliance is likely to be found in accordance with the act and these rules.  (3) The department, through its investigators, agents, auditors, or the state police, may place an administrative hold on a marihuana product and order that no sales or transfers occur during an investigation for an alleged violation or violation of the act or these rules.  (4) The department, through its investigators, agents, auditors, or the state police, may inspect, examine, and audit relevant records of the licensee. If a licensee fails to cooperate with an investigation, the department through its investigators, agents, auditors, or the state police may impound, seize, assume physical control of, or summarily remove records from a proposed marihuana facility or marihuana facility.  (5) The department through its investigators, agents, auditors, or the state police may eject or exclude, or authorize the ejection or exclusion of, an individual from a proposed marihuana facility or marihuana facility if that individual violates the act, a final order, or these rules.  (6) The department through its investigators, agents, auditors, or the state police may take any reasonable or appropriate action to enforce the act and rules.  (7) This rule does not limit the application of any other remedies or sanctions that are available through local, state, and federal laws, the act, and these rules.  (8) For purposes of this rule, the term "record" means books, ledgers, documents, writings, photocopies, correspondence, electronic records, videotapes, surveillance footage, electronic storage media, electronically stored records, money receptacles, equipment in which records are stored, including data or information in the statewide monitoring system, or any other document that is used for recording information.</p>
<p>§303(f) Records maintained onsite</p>	<p>Sec. 303 Require all relevant records of licensees, including financial or other statements, to be kept on the premises authorized for operation of the marihuana facility of the licensee or in the manner prescribed by the board.</p>
<p>R 10 Inspections: C of O, BFS Compliance</p>	<p>R 333.210 Prelicensure investigation; proposed marihuana facility inspection.  Rule 10. (1) An applicant for a state operating license shall submit to a prelicensure physical inspection of a proposed marihuana facility, as determined by the department.  (2) The department shall establish an inspection process to confirm that the applicants and proposed marihuana facilities meet the requirements of the act and these rules.  (3) The department shall investigate an applicant in accordance with the act and these rules.  (4) The department, through its investigators, agents, auditors, or the state police, shall conduct inspections and examinations of an applicant and a proposed marihuana facility in accordance with the act and these rules.  (5) An applicant shall submit proof to the department of both of the following:  (a) A certificate of use and occupancy as required pursuant to section 13 of the Stille-DeRossett-Hale single state construction code act, 1972 PA 230, MCL 125.1513, and these rules.  (b) A fire safety inspection as specified in R 333.234.</p>

<p>R 15, § 406 Notification &amp; Reporting: Changes in - ownership, facility plan, or criminal and regulatory discipline</p>	<p>R 333.215 Notification and reporting. Rule 15. (1) Applicants and licensees have a continuing duty to provide the department with up-to-date contact information and shall notify the department in writing of any changes to the mailing addresses, phone numbers, electronic mail addresses, and other contact information they provide the department. (2) Applicants and licensees shall report any changes to the marihuana facility operations that are required in R 333.231 to R 333.238 and as required in the act and these rules, as applicable. (3) Applicants and licensees shall report material changes to the department before making a material change that may require prior authorization by the department. Material changes, include, but are not limited to, the following: (a) Change in owners, officers, members, or managers. (b) Change of location. Upon notification of a change in location, the department may determine that a new license and new inspection are required for the change of location. (c) A description of a violation of an ordinance or a zoning regulation adopted pursuant to section 205 of the act, MCL 333.27205, committed by the licensee, but only if the violation relates to activities licensed under the act, the Michigan medical marihuana act, and these rules. (d) The addition or removal of persons named in the application or disclosed. (e) Change in entity name. (f) Any attempted transfer, sale, or other conveyance of an interest in a license. 12 (g) Any change or modification to the marihuana facility for prelicensure or postlicensure that was not preinspected, inspected, or part of the marihuana facility plan or final inspection including, but not limited to, operational or method changes requiring inspection under these rules, additions or reductions in equipment or processors at a marihuana facility, increase or decrease in the size or capacity of the marihuana facility, alterations of ingress or egress, and changes that impact security, fire and building safety. (4) An applicant or licensee shall notify the department within 1 business day of becoming aware of or should have been aware of all the following: (a) Adverse reactions to a marihuana product sold or transferred by any licensee. (b) Criminal convictions, charges, or civil judgements against an applicant or licensee in this state or any other state. (c) Regulatory disciplinary action taken or determined against an applicant or licensee by this state or any other state, including any pending action. (5) Failure to report material changes pursuant to subrule (3) of this rule or notifications under subrule (4) of this rule may result in sanctions or fines, or both.</p> <p>§ 406ADHERENCE TO: Each license is exclusive to the licensee, and a licensee or any other person must apply for and receive the board's approval before a license is transferred, sold, or purchased. **OPERATIONS**

R 333.231 State operating licenses; licensees; operations; general.  
Rule 31. (1) A state operating license and a stacked license as described in R 333.220 are limited to the scope of the state operating license issued for that type of marihuana facility that is located within the municipal boundaries connected with the license.  
(2) A licensee shall comply with all of the following:  
(a) Marihuana facilities shall be partitioned from any other marihuana facility, activity, business, or dwelling. Marihuana facilities shall not allow onsite or as part of the marihuana facility any of the following:  
(i) Sale, consumption, or serving of food except for as provided in R 333.281.  
(ii) Sale, consumption, or use of alcohol or tobacco products.  
(iii) Consumption, use, or inhalation of a marihuana product.  
(b) A marihuana facility shall have distinct and identifiable areas with designated structures that are contiguous and specific to the state operating license.  
(c) A marihuana facility shall have separate entrances and exits, inventory, record keeping, and point of sale operations, if applicable.  
(d) Access to the marihuana facility is restricted to the licensee; employees of the licensee; and, the department through its investigators, agents, auditors, or the state police. A provisioning center may grant access as provided in R 333.233(3) to registered qualifying patients and registered primary caregivers with valid registry cards to a dedicated point of sale area. A separate waiting area may be created for visitors not authorized to enter the marihuana facility. The licensee shall maintain a log tracking all visitors to a marihuana facility. The visitor log must be available at all times for inspection by the department through its investigators, agents, auditors, or the state police to determine compliance with the act and these rules.  
(e) Licensee records must be maintained and made available to the department upon request.  
(f) The marihuana facility must be at a fixed location. Mobile marihuana facilities and drive through operations are prohibited. Any sales or transfers of marihuana product by internet or mail order, consignment, or at wholesale are prohibited.  
(g) A state operating license issued under the act must be framed under a transparent material and prominently displayed in the marihuana facility.  
(3) A marihuana facility must comply with any other operational measures requested by the department that are not inconsistent with the act and these rules.

R 333.232 Operation at same location.

Rule 32. (1) A licensee that has any combination of state operating licenses may operate separate marihuana facilities at the same location. For purposes of this rule, a stacked license is considered a single marihuana facility.

(2) To operate at the same location subject to subrule (1) of this rule, all of the following requirements must be met:

(a) The department has authorized the proposed operation at the same location.

(b) The operation at the same location is not in violation of any local ordinances or regulations.

16

(c) The operation at the same location does not circumvent a municipal ordinance or zoning regulation that limits the type or number of marihuana facilities under section 205 of the act, MCL 333.27205, or prohibits the operation at the same location.

(d) The licensee of each marihuana facility operating at the same location under this rule shall do all the following:

(i) Apply for and be granted separate state operating licenses and pay a separate regulatory assessment for each state operating license.

(ii) Have distinct and identifiable areas with designated structures that are contiguous and specific to the state operating license.

(iii) Have separate entrances and exits, inventory, record keeping, and point of sale operations, if applicable.

(iv) Post the state operating license on the wall in its distinct area and as provided in these rules.

(v) Obtain any additional inspections and permits required for local or state building inspection, fire services, and public health standards.

(vi) Comply with the provisions in the act and these rules.

(3) Operation of a state operating license at the same location that includes a licensed provisioning center shall have the entrance and exit to the licensed provisioning center marihuana facility and entire inventory physically separated from any of the other licensed marihuana facility or facilities so that individuals can clearly identify the retail entrance and exit.

**requirements of section 205 of the act, MCL 333.27205, and these rules and its marihuana facility must comply with the requirements prescribed by the act and these rules. A secure transporter shall hold a separate license for every marihuana facility location where a marihuana product is stored. A secure transporter may travel through any municipality to transport a marihuana product. A secure transporter shall comply with all of the following:**

**(a) The secure transporter may take physical custody of the marihuana or money but legal custody belongs to the transferor or transferee.**

**(b) A secure transporter shall not sell or purchase marihuana products.**

**(c) A secure transporter shall transport any marihuana product in a locked, secured, and sealed container that is not accessible while in transit. The container must be secured by a locked closed lid or door. A secure transporter of marihuana product from separate marihuana facilities shall not commingle the marihuana product. All marihuana products must be labeled in accordance with these rules and kept in separate compartments or containers within the main locked, secured, and sealed container. If the secure transporter transports money associated with the purchase or sale of marihuana product between facilities, the secure transporter shall lock the money in a sealed container kept separate from the marihuana product and only accessible to the licensee and its employees.**

**(d) A secure transporter shall log and track all handling of money associated with the purchase or sale of marihuana between facilities. These records must be maintained and made available to the department upon request.**

**(e) A secure transporter shall have a route plan and manifest available for inspection by the department through its investigators, agents, auditors, or the state police to determine compliance with the act and these rules. A copy of the route plan and manifest must be carried with the secure transporter during transport between marihuana facilities. A secure transporter is subject to administrative inspection by a law enforcement officer at any point during the transportation of marihuana product pursuant to the act or these rules. A secure transporter shall carry a copy of a route plan and manifest in the transporting vehicle and shall present them to a law enforcement officer upon request.**

**(f) A secure transporter shall follow the manifest. In cases of emergencies, the secure transporter shall notify the transferor and transferee, update the statewide monitoring system, and revise the manifest to reflect the unexpected change to the original manifest.**

**(g) The timeframe for the secure transporter to maintain custody of the marihuana product must not be more than 48 hours or by permission of the department on a case-by-case basis.**

**(h) A secure transporter shall identify and record all vehicles with the department and have the required vehicle registration with the secretary of state as required under state law. A secure transporter's vehicles are subject to inspection at any time by the department, through its investigators, agents, auditors, or the state police to determine compliance with the act or these rules.**

**Sec. 207.** A licensee shall adopt and use a third-party inventory control and tracking system that is capable of interfacing with the statewide monitoring system to allow the licensee to enter or access information in the statewide monitoring system as required under this act and rules. The third-party inventory control and tracking system must have all of the following capabilities necessary for the licensee to comply with the requirements applicable to the licensee's license type:

- (a) Tracking all marihuana plants, products, packages, patient and primary caregiver purchase totals, waste, transfers, conversions, sales, and returns that are linked to unique identification numbers.
- (b) Tracking lot and batch information throughout the entire chain of custody.
- (c) Tracking all products, conversions, and derivatives throughout the entire chain of custody.
- (d) Tracking marihuana plant, batch, and product destruction.
- (e) Tracking transportation of product.
- (f) Performing complete batch recall tracking that clearly identifies all of the following details relating to the specific batch subject to the recall:
  - (i) Sold product.
  - (ii) Product inventory that is finished and available for sale.
  - (iii) Product that is in the process of transfer.
  - (iv) Product being processed into another form.
  - (v) Postharvest raw product, such as product that is in the drying, trimming, or curing process.
- (g) Reporting and tracking loss, theft, or diversion of product containing marihuana.
- (h) Reporting and tracking all inventory discrepancies.
- (i) Reporting and tracking adverse patient responses or dose-related efficacy issues.
- (j) Reporting and tracking all sales and refunds.
- (k) Electronically receiving and transmitting information as required under this act, the Michigan medical marihuana act, 2008 IL 1, MCL 333.26421 to 333.26430, and the marihuana tracking act.
- (l) Receiving testing results electronically from a safety compliance facility via a secured application program interface into the system and directly linking the testing results to each applicable source batch and sample.
- (m) Identifying test results that may have been altered.
- (n) Providing the licensee with access to information in the tracking system that is necessary to verify that the licensee is carrying out the marihuana transactions authorized under the licensee's license in accordance with this act.
- (o) Providing information to cross-check that product sales are made to a registered qualifying patient or a registered primary caregiver on behalf of a registered qualifying patient and that the product received the required testing.
- (p) Providing the department and state agencies with access to information in the database that they are authorized to access.
- (q) Providing law enforcement agencies with access to only the information in the database that is necessary to verify that an individual possesses a valid and current registry identification card.
- (r) Providing licensees with access only to the information in the system that they are required to receive before a sale, transfer, transport, or other activity authorized under a license issued under this act.
- (s) Securing the confidentiality of information in the database by preventing access by a person who is not authorized to access the statewide monitoring system or is not authorized to access the particular information.
- (t) Providing analytics to the department regarding key performance indicators such as the following:
  - (i) Total daily sales.
  - (ii) Total marihuana plants in production.
  - (iii) Total marihuana plants destroyed.
  - (iv) Total inventory adjustments.

**Sec. 501(8c)**

R 333.237 Marihuana product destruction and waste management.

Rule 37. (1) A marihuana product that is to be destroyed or is considered waste must be rendered into an unusable and unrecognizable form through grinding and incorporating the

22 marihuana product waste with the non-consumable solid waste specified in subdivisions (a) to (h) of this subrule so that the resulting mixture is not less than 50% non-marihuana product waste:

(a) Paper waste.

(b) Plastic waste.

(c) Cardboard waste.

(d) Food waste.

(e) Grease or other compostable oil waste.

(f) Fermented organic matter or other compost activators.

(g) Other wastes approved by the department that will render the marihuana product waste unusable and unrecognizable.

(h) Soil.

(2) A marihuana product rendered unusable and unrecognizable and, therefore, considered waste, must be recorded in the statewide monitoring system.

(3) A licensee shall not sell marihuana waste or marihuana products that are to be destroyed, or that the department orders destroyed.

(4) A licensee shall manage all waste that is hazardous waste pursuant to part 111 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.11101 to 324.11153.

(5) A licensee shall dispose of marihuana product waste in a secured waste receptacle using 1 or more of the following methods that complies with applicable state and local laws and regulations:

(a) A manned and permitted solid waste landfill.

(b) A manned compostable materials operation or facility.

(c) An in-vessel digester.

(d) An incineration method approved by state and local laws and regulations.

(6) A licensee shall dispose of wastewater generated during the cultivation of marihuana and the processing of marihuana products in a manner that complies with applicable state and local laws and regulations.

(7) A licensee shall maintain accurate and comprehensive records regarding marihuana product waste that accounts for, reconciles, and evidences all waste activity related to the disposal. The department may publish guidance on marihuana product waste management.

(8) For the purposes of this rule, "unrecognizable" means marihuana product rendered indistinguishable from any other plant material.

EMPLOYEES

R 333.281 Employees; requirements.

Rule 81. (1) A licensee shall conduct a criminal history background check on any prospective employee before hiring that individual pursuant to section 405 of the act, MCL 333.27405. A licensee shall keep records of the results of the criminal history background checks. A licensee shall record confirmation of criminal history background checks and make the confirmation available for inspection upon request by the department through its investigators, agents, auditors, or the state police.

(2) A licensee shall comply with all of the following:

(a) Have a policy in place that requires employees to report any new or pending charges or convictions. If an employee is charged or convicted for a controlled substance-related felony or any other felony, the licensee shall report it immediately to the department.

(b) Enter in the statewide monitoring system the employee's information and level of statewide monitoring system access within 7 business days of hiring for the system to assign an employee identification number. The licensee shall update in the statewide monitoring system employee information and changes in status or access within 7 business days.

(c) If an employee is no longer employed by a licensee, the licensee shall remove that employee's access and permissions to the marijuana facility and the statewide monitoring system.

(d) Train employees and have an employee training manual that includes, but is not limited to, employee safety procedures, employee guidelines, security protocol, and educational training, including, but not limited to, marijuana product information, dosage and purchasing limits if applicable, or educational materials.

(e) Establish point of sale or transfer procedures for employees at provisioning centers performing any transfers or sales to registered qualifying patients and registered primary caregivers. The point of sale or transfer procedures must include, but are not limited to, training in dosage, marijuana product information, health or educational materials, point of sale training, purchasing limits, CBD and THC information, serving size, and consumption information including any warnings.

(f) Screen prospective employees against a list of excluded employees based on a report or investigation maintained by the department.

(g) When a registered primary caregiver is hired as an employee of a grower, processor, or secure transporter, the licensee or the individual shall withdraw registration as a registered primary caregiver in a manner established by the department.

(h) A licensee shall ensure that employees handle marijuana product in compliance with current good manufacturing process in manufacturing, packing, or holding human food, 21 CFR part 110, as specified in R. 333.233.

(3) If an individual is present at a marijuana facility or in a secure transporter vehicle who is not identified as a licensee or an employee of the licensee in the statewide 34 monitoring system or is in violation of the act or these rules, the department, through its investigators, agents, auditors, or the state police may take any action permitted under the act and these rules.

(4) Employee records are subject to inspection or examination by the department, through its investigators, agents, auditors, or the state police to determine compliance with the act or these rules.

(5) Consumption of food by employees is prohibited where marijuana product is stored, processed or packaged or where hazardous materials are used, handled or stored unless the marijuana facility has an employee designated area that includes, but is not limited to, a room with floor to ceiling walls and a door that separates the room from any marijuana product.

(6) As used in this rule "employee" includes, but is not limited to, hourly employees, contract employees, trainees, or any other person given any type of employee credentials or authorized access to the marijuana facility. Trade services provided by individuals not normally engaged in the operation of a marijuana facility, except for those individuals required to have employee credentials under this rule, must be reasonably monitored, logged in as a visitor, and escorted through any limited access areas.

§ 405

Before hiring a prospective employee, the holder of a license shall conduct a background check of the prospective employee. If the background check indicates a pending charge or conviction within the past 10 years for a controlled substance-related felony, a licensee shall not hire the prospective employee without written permission of the board.
