Application for Certification of Equivalent Landfill Disposal Prohibitions

As required by Section 11526 of Part 115, Solid Waste Management, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended. Failure to submit this form will prohibit the affected jurisdiction from exporting solid waste to Michigan for disposal. Failure to submit this form will prohibit Michigan landfills from receiving solid waste for disposal from the affected jurisdiction.

Application Information

Legal Name of Governmental Jurisdiction of Waste Origin:

Country of Origin: _____

Address: _____

City: _____ State/Province: _____ ZIP Code: _____

Phone: _____

Person Preparing Application: _____

Title: _____ Phone: _____

Section 11526a(1)(c) of Part 115 **prohibits the owner or operator of a landfill from accepting for disposal** in this state solid waste that was generated outside of this state **unless** the country, state, province, or local jurisdiction in which the solid waste was generated is **approved by the EGLE for inclusion on the list** compiled by the EGLE under Section 11526b. Section 11526b(2) provides that a country, state, province, or local jurisdiction that demonstrates equivalent disposal prohibitions shall be included on the list prepared by the EGLE if they:

1. Provide the EGLE with documentation that the country, state, province, or local jurisdiction prohibits from disposal in a landfill the items prohibited from disposal in a landfill located in this state, or
2. Prevent from disposal in a landfill the items prohibited from disposal in a landfill located in this state through enforceable solid waste disposal requirements that are comparable to this part.

Such documentation must include all pertinent statutes, administrative regulations, and ordinances.

Enforceable Solid Waste Disposal Requirement

Prohibited Waste ¹	Statute, Administrative Regulation, or Ordinance Citation	Attachment Designation
Used beverage containers		
Whole motor vehicle tires		
Used Oil		
Lead acid battery		
Yard clippings		
Medical waste		
Low-level radioactive waste		
Hazardous waste		
Liquid waste		
Sewage		
PCBs (polychlorinated Biphenyls)		
Asbestos

Certification

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I further certify that I am fully authorized by the governmental jurisdiction of the landfill to submit this report. Should the signatory find at any time after submittal of the requested information that any portion of the submittal certified as true is false or misleading, the signatory shall immediately notify the EGLE, providing any corrections, explanations, or additional information necessary.
