PART 1. GENERAL PROVISIONS

R 29.401 Definitions.

Rule 1. As used in these rules:

(a) "Act" means the firefighters training council act, 1966 PA 291, MCL 29.361 to 29.377.

(b) "Authority having jurisdiction (AHJ)" means an organization, office, or individual responsible for enforcing the requirements of a code or standard, or for approving equipment, materials, an installation, or a procedure.

(c) "Bureau" means the bureau of fire services, in the department of licensing and regulatory affairs.

(b) "Council" means the fire fighters training council as defined in the act.

(d) "Cadet" means an individual who is participating in a training course, is between 16 and 18 years of age, and participates in a council registered and approved cadet program offered by a fire department or public safety department.

(e) “Current edition” means the respective professional qualifications in the current and appropriate national fire protection association (nfpa) standard.

(f) “Curriculum work group” means a group of fire service members appointed by the chairperson of the council. The curriculum work group reviews curriculum making recommendations for new or updated curriculum to the bureau and the council. The curriculum work group assists in the validation of the various classification examinations offered by the bureau.

~~(e)~~ **(g) “Department” means the department of licensing and regulatory affairs, bureau of fire services.**

(h) “Electronic learning management system” means a system used for administration, documentation, reporting, and delivery of educational courses, training programs, or learning and development programs.

~~(e)~~ **(i) “Emergency medical services and instructor coordinator license, or ems/ic license,” means a license issued by the department of community health pursuant to the public health code, 1978 PA 368, MCL 333.20901 to 333.20979.**

(j) “Equivalent” means certifications from another state’s certifying agency, which meet the most recent nfpa standard for the classification.

~~(e) “Fire fighter” means a member, including a volunteer member and a member who is paid on call, of an organized fire department that is responsible for, or is in a capacity that includes responsibility for, the extinguishment of fires, the directing of the extinguishment of fires, the prevention and detection of fires, and the enforcement of the general fire laws of this state. Fire fighter does not include a person whose job description, duties, or responsibilities do not include direct involvement in fire suppression.~~

(k) “Explorer” means an individual who is participating in a training course, is between 16 and 18 years of age, and participates in a council approved boy or girl scouts of America explorer program sponsored by a fire department or public safety department.

(l) International Fire Service Accreditation Congress (IFSAC) – A not-for-profit, peer-driven, self-governing system of both fire service certifying entities and higher education fire-related degree programs. IFSAC’s mission is to plan and administer a high-quality, uniformly delivered accreditation system with an international scope.

(m) “Materially untrue statement” means a false writing or document that contains any fictitious or fraudulent information or entry.

(n) “Pre-service student” means an individual who is taking fire fighting classes through an approved regional training center and is not a member of a Michigan fire department or public safety department.

(o) Pro Board® – A third party agency who accredits those public sector organizations (generally governmental or educational) internationally that certify emergency services responders against the requirements National Professional Qualifications System Standards. Those Standards are promulgated by the National Fire Protection Association.

(p) “Q course” means a course developed and owned by organizations or individual subject matter experts. The council shall review and vote to

approve or deny with cause, all Q courses. Q courses cannot be developed to circumvent council approved curriculum courses in which council provides certification.
