MICHIGAN DEPARTMENT OF COMMUNITY HEALTH

Bureau of Health Systems
Division of Licensing & Certification
Substance Abuse Licensing Section

APPLICATION FOR A SUBSTANCE ABUSE LICENSE

DIRECTIONS FOR COMPLETING THE APPLICATION FOR LICENSURE AS A SUBSTANCE ABUSE PROGRAM

ALL APPLICANTS

Complete the standard license application (Pages 5-13) **UNLESS** application or renewal is only for prevention services. Prevention-only applicants are to complete the BHS-LC-107 application form.

WAIVER REQUESTS

Applicants who want to request a waiver of any licensing rule for the first time must complete the *Application Appendix A* (BHS-LC-801) form. If you presently have a waiver and wish to renew the request, complete the "Waiver Renewal Only" portion on the bottom of page 4 of the application.

APPROVED SERVICE PROGRAM/RESIDENTIAL SUB-ACUTE DETOXIFICATION

Applicants providing residential substance abuse services who wish to be designated as an "Approved Service Provider" or licensed to provide "Residential Sub-Acute Detoxification" are to complete the *Application Appendix B* (BHS-LC-105) form and submit it with the application.

P.A. 309 SCREENING AND ASSESSMENT PROVIDER

To be designated as a screening and assessment provider under P.A. 309, you must be licensed for Casefinding-Screening, Assessment, Referral, and Follow-Up (SARF) and complete *Application Appendix C* (BHS-LC-309A) form and submit it with the white application.

Questions pertaining to the submission of any of the above-mentioned forms can be answered by contacting the Substance Abuse Licensing Section (SALS) at (517) 241-1970.

DEFINITIONS OF TERMS IN THE LICENSE APPLICATION*

LICENSED SERVICE CATEGORIES

Prevention - Services that reduce the risk that an individual will develop problems which might require that he or she enter the substance abuse treatment system.

Prevention-CAIT - A prevention service that provides at least one of the following services:

Prevention-Community Change - Planned efforts which are designed to change specific conditions so as to reduce the probability that substance use problems will occur among residents of the community.

Prevention- Alternatives - Providing planned non-treatment personal growth activities which we designed to help a participant meet his or *her* own Personal needs *and* to reduce him or her risk of developing problems which might require that he or she enter the substance abuse treatment system.

Prevention-Information - Providing information to the public which is designed to reduce the risk that an individual will develop problems which might require that he or she enter the substance abuse treatment center.

Prevention-Training - Providing activities which we designed to improve the personal and social skills of a person who wishes to avoid substance use problems or who is in a position to help others avoid problems with substance use.

Casefinding - The process of systematically interacting with the community for the purposes of identifying persons in need of services, alerting persons and their families to the availability of services, locating needed services, and enabling persons to enter the service delivery system.

Casefinding-Screening, Assessment, Referral, and Follow-Up (SARF) - Means the performance of a range of activities necessary to make preliminary assessments of problems. The object of these activities, which may include interviews, psychological tests, and other diagnostic or assessment tools, is to effect referrals to appropriate treatment or assistance resources if indicated.

Treatment - An emergency, outpatient, intermediate, or inpatient service and care, and may include diagnostic evaluation, medical, psychiatric, psychological, social service care, and referral services which may be extended to an individual who is or appears to be incapacitated.

Outpatient Care - Scheduled, periodic care, including diagnosis and therapy, in a non-residential setting. Correctional institutions are considered non-residential settings.

Methadone Treatment - Chemotherapy using the drugs methadone or LAAM (levo-alpha- acetylmethadol) as rehabilitation tools in conjunction with other treatment and rehabilitation care.

Inpatient Care -Substance abuse treatment services that are provided to a person within a hospital setting under medical supervision. Inpatient care may include both emergency services and non-emergency services. Inpatient care is provided in hospitals operated by the Department of Mental Health or **in beds licensed by the Michigan Department of Community Health**.

Residential Care - Substance abuse services that are provided in a full or partial residential setting. Such services may be supplemented with diagnostic services, counseling, vocational rehabilitation, work therapy, or other services which are judged to be valuable to clients in a therapeutic setting. Residential care is not provided in beds also licensed by the Michigan Department of Community Health.

ADDITIONAL CATEGORIES ASSOCIATED WITH EXISTING OUTPATIENT, METHADONE CLINIC AND/OR RESIDENTIAL LICENSE

Case Management - A substance use disorder case management program that coordinates, plans, provides, evaluates and monitors services for recovery from a variety of resources on behalf of and in collaboration with a client who has a substance use disorder. A substance use disorder case management program offers these services through designated staff working in collaboration with the substance use disorder treatment team and as guided by the individualized treatment planning process

Early Intervention - A specifically focused treatment program including stage-based intervention for individuals with substance use disorders as identified through a screening or assessment process including individuals who may not meet the threshold of abuse or dependence.

Integrated Treatment for Persons with Mental Health and Substance Use Disorders - A program that offers and provides both substance use disorder and mental health treatment in an integrated manner as evidenced by staffing, services and program content. The program is designed for individuals determined through an assessment process to have both distinct substance use and mental health disorders. Services must be provided through one service setting and through a single treatment plan and represent appropriate clinical standards including stage-based interventions. Programs that focus primarily on one disorder but are able to address the interaction between the disorders and/or coordinate services with other providers do not require a service category license as an integrated treatment program.

ADDITIONAL CATEGORIES ASSOCIATED WITH EXISTING OUTPATIENT, METHADONE CLINIC, RESIDENTIAL AND/OR PREVENTION LICENSE

Peer Recovery and Recovery Support - Programs that are designed to support and promote recovery and prevent relapse through supportive services that result in the knowledge and skills necessary for an individual's recovery. Peer recovery programs are designed and delivered primarily by individuals in recovery and offer social emotional and/or educational supportive services to help prevent relapse and promote recovery.

TYPE OF CARE NEEDED BY CLIENT

Acute Care - Acute substance abuse treatment is for conditions that are life-threatening due to intoxication with alcohol or other drugs or chemicals. Acute care is physician directed/supervised medical care in an inpatient setting.

Sub-acute Care - Sub-acute substance abuse treatment is for conditions that are not life-threatening but require a coordinated treatment program which may include detoxification, individual and group counseling, chemotherapy, medical care or other appropriate services deemed necessary by the professional supervised treatment staff.

TYPE OF CARE PROVIDED BY PROGRAM

Detoxification - Detoxification treatment means a medically acute or sub-acute systematic reduction of the amount of a drug in the body, or the elimination of a drug from the body concomitant with supportive treatment services. Detoxification typically lasts 3-5 days. Inpatient programs provide acute detoxification services typically lasting 3-5 days in hospital beds licensed by the Michigan Department of Community Health. Residential-Approved Service programs and others provide sub-acute detoxification services typically lasting 3-5 days.

Rehabilitation - The act of restoring an individual to a state of mental and physical health or useful activity through vocational or educational training, therapy, and counseling.

Intermediate Care/Rehabilitation - Programs which typically do not exceed 45 days in duration. Such residential/inpatient programs have an organized treatment staff supervised by a master's degree (or equivalent) professional responsible for overall quality of clinical care. Planned individual or group treatment services typically do not exceed 30-45 days duration. Intermediate care may be delivered in delicensed or off-line inpatient beds.

Long-Term Therapeutic Community - A long-term residential program that is structured as a drug-free living situation in which the primary therapeutic tool is the supportive or confrontative peer interaction of the residents. Individual and group counseling are built into structured daily routines. Treatment typically exceeds 60 days.

Long-Term Halfway House - An establishment with administrative supervision that provides -- through permanent facilities and guidance personnel -- resident beds, structured or supervised peer group living, and limited health-related services emphasizing social rehabilitation with support and guidance toward the goals of independent living for its residents, who have problems related to substance abuse. Halfway house care typically lasts six months or more.

*See Public Act 368 of 1978, as amended, Article 6 and Rules for full set of definitions.

BHS-LC-106 (Rev. 1/10)

EXPLANATORY FOOTNOTES - FOR PAGE SIX (6) OF APPLICATION

- (1) Check if substance abuse/alcohol highway safety education or other classes are offered by the program on a routine basis.
- (2) Programs that utilize controlled substances, including methadone, must complete the Application Appendix D, a State Methadone Approval Application (BHS-LC-103) form.
- (3) If substance abuse beds are part of a unit which also provides beds for non-substance abuse clients, estimate the number of substance abuse beds, using the **maximum** beds which substance abusers would fill at any point in time.
- (4) Required if substance abuse beds are licensed by the Department of Community Health typically as medical/surgical beds or as psychiatric beds. Indicate license number.
- (5) Complete Application Appendix C, Supplemental Application for P.A. 309 Designation (BHS-LC-309A) form for designation. A license for Screening, Assessment, Referral and Follow-Up (SARF) is required. Criteria additional to licensing standards must also be met by applicant.
- (6) These categories presuppose an existing outpatient, methadone clinic or residential license. For peer recovery/recovery support, an existing prevention license is also acceptable.

SATELLITE LOCATIONS

A program that operates in more than one location (site) must list the names and addresses of all sites operating under the same **governing authority in the space provided below as well as the service categories at each site**. The **Master Site** is the location which provides direct substance abuse services and where all administrative functions are located. This site is determined by the program, not the Michigan Department of Community Health. If the administrative office does not provide services, this location should be indicated below.

APPLICATION ATTACHMENTS

PROGRAM DESCRIPTION

Items A – L as identified below. The attachments must be clearly labeled with the program's 1) name; 2) license number as shown on the front of the application; and 3) date submitted. DO NOT submit copies of your operating procedure manual. We desire a description of the specific policies and procedures called for below. Actual formats used need not be submitted; they will be reviewed at the preliminary licensing inspection. All new applicants **MUST SUBMIT ITEMS A - I AND ITEM L**. Item L requires that you submit a copy of your notice of intent. This can be a copy of a legal ad from your local newspaper indicating that your program is applying for a substance abuse license OR a copy of a notice which you sent to local churches, schools and incorporated non-profit civic organizations with the names and addresses to whom the notice was sent. Please see sample notice on page twelve (10).

RENEWAL APPLICANTS: If the attachments for Items A - I have not changed since your previous submission, check the box that says, "See Prior Application". If an item has changed since your previous application, attach it and mark the box titled "Attached." If your program has a number of sites which are licensed (listed on page 6 of this application), **your attachments for the master site MUST describe the services provided at all of your locations,** i.e., your admission procedures should describe policies for outpatient, residential, etc.

EXAMPLE

NOTICE OF INTENT

(Name and address of applicant program) has applied for a substance abuse license through the Michigan Department of Community Health, Substance Abuse Licensing Section. The license will allow us to provide (type of service to be licensed) substance abuse services. Comments should be directed to (Name and address of coordinating agency).

ASSURANCES

As program director, I am responsible to the governing authority of this program or its authorized agent for overall operation of the program. I have reviewed Article 6 of Public Act 368 of 1978, as amended, and the administrative rules applicable to the service(s) provided by this program, I believe my program is in compliance with the rules and the Act and is ready for on-site inspection.

I understand that I may request a waiver of a license rule and that it is my responsibility to complete the appropriate section of the application for a renewal of waiver or to submit a waiver request form for a new waiver request.

I authorize the Chief of the Substance Abuse Licensing Section or his or her representative to obtain from any source, information as to my ability to comply with Article 6 of Act 368 of 1978 as amended, and the Administrative Rules (R 325.14101 - R 325.14928).

I further certify that the information furnished in this application is true and accurate. Any information found to be false may result in my application being denied and my program licensure being revoked. Supportive documentation will be furnished upon request of the Substance Abuse Licensing Section. I have completely filled out this application and understand that if the application is found to be incomplete, the licensing process will be suspended until I have furnished missing or incomplete information.

By signing this application for licensure, I acknowledge that should any information contained in this application change, notice of the change will be immediately provided to the Substance Abuse Licensing Section. Failure to do so may invalidate the license. I understand notice of change of ownership, governing authority or location must be **submitted** to the Substance Abuse Licensing Section **thirty (30) days** before the change takes effect. A copy of this application and attachments and subsequent changes to it will be maintained at my program.
