REQUEST TO CORRECT FORM 1099-G

Need Help? Call Customer Service at 1-866-500-0017. TTY customers call 1-866-366-0004.

Form 1099-G reports the total taxable unemployment compensation you received for the calendar year. If you want to request corrections to Form 1099-G for either the current or prior year, complete both the "current information" and "correct information" boxes below making sure that the box entitled 'taxable year' is completed. If you do not know the "total unemployment compensation", it can be skipped. You can request a 1099-G for calendar years 2016-2022.

If you have paid restitution for improperly paid unemployment benefits or had court-ordered deductions, those monies are still included in the total unemployment compensation and cannot be removed from total compensation reported. Contact the Internal Revenue Service (IRS) to obtain specific instructions on how those amounts affect your taxes and how to report them.

Please print (in black or blue ink) or type information.
