**Re: WARN Act Notice – Home Rehabilitation Services of Michigan, LLC
("HRSM"), 2630 Union Lake Road, Suite 300, Commerce Township, MI 48332**

Dear Ms. Johnson:

HRSM hereby provides the following information to the Michigan Workforce Development Office pursuant to the Federal Worker Adjustment and Retraining Notification Act of 1988 (WARN Act).

Effective December 30, 2017, HRSM is closing and will cease to operate its business at 2630 Union Lake Road, Suite 300 Commerce Township, MI 48332, and will be permanently laying off all of its employees on December 30, 2017, except for the payroll coordinator who will be laid off on January 9, 2018.

A list of all job classifications and the number of employees in each classification that will be affected is attached as Attachment A.

The layoffs are the result of the termination of HRSM's Therapy Services Agreement with Beaumont Home Care which is effective December 31, 2017. As part of a termination agreement negotiated between HRSM and William Beaumont Hospital, HRSM's employees will be given the opportunity to apply for positions with Beaumont Home Care. It is anticipated that the transition process will commence October 1, 2017 and be completed by the December 31, 2017.

The employees being laid off are not represented by a union and they do not have bumping rights. If further information is needed, please contact me at (248) 366-8839.
