The EUC program provides up to 34 weeks of federally-funded extended unemployment benefits in all states, plus an additional 19 weeks of benefits in states with high unemployment rates, such as Michigan. Thus, in Michigan, **up to 10 additional weeks of EUC benefits** may be payable before week ending June 1, 2012. The United States Department of Labor will continually monitor Michigan's unemployment rate to determine if additional adjustments will be made to the maximum number of benefit weeks available to claimants after June 1, 2012.

The EUC program is federally funded; therefore, employers will not be charged for benefits, and they will not receive a monetary determination.

### EUC Eligibility Requirements

EUC payments can be obtained by individuals who are unemployed through no fault of their own and meet regular state unemployment eligibility requirements. New entrants into EUC Tiers I or II who had a claim for regular benefits with a benefit year ending May 5, 2007, or later, which has been exhausted or has expired, may be eligible for EUC benefits.

There are four tiers of federally-funded EUC benefits payable in Michigan:

- **Tier I** - Provides up to 20 weeks of EUC benefits to those who exhaust their regular state unemployment benefits and equals 80% of a person's regular state unemployment benefits.
- **Tier II** - Provides up to 14 weeks of EUC after a person exhausts EUC Tier I and equals 54% of a person's regular state unemployment benefits.
- **Tier III\*** - Provides up to 13 weeks of EUC after a person exhausts EUC Tier II and equals 50% of a person's regular state unemployment benefits.
- **Tier IV\*** - Provides up to 16 weeks of EUC after a person exhausts Tier III and equals 62% of a person's regular state unemployment benefits.

*\*Tiers III and IV are payable in states with high rates of unemployment, such as Michigan.*

To be eligible for EUC, individuals must be unemployed or underemployed and able, available, and actively seeking suitable full-time work. New entrants into EUC Tiers I or II are required to participate in Reemployment and Eligibility Assessment (REA) activities administered at their local Michigan Works! Agency (MWA) office. EUC claimants are required to provide written documentation of their work search efforts on a biweekly basis to the UIA prior to certifying through MARVIN or MARVIN Online. You will be required by the UIA to report the details and results of your work search efforts using the Form UIA 1583 *Bi-Weekly Emergency Unemployment Compensation (EUC) Record of Work Search*.

### Applying for EUC benefits

Unemployment benefits are typically issued for two-week periods after individuals certify through UIA's telephone or MARVIN Online systems that they were unemployed and met eligibility requirements for the two weeks.

When the balance on an individual's regular state unemployment claim is either two weeks of payments or less, the UIA will mail a letter to the individual explaining how to apply for the first EUC extension (Tier I) by telephone or online. Individuals are not required to apply for EUC Tiers II, III or IV. UIA will automatically issue a determination to individuals as they exhaust their EUC Tier I extension. Claimants should continue to certify by contacting MARVIN either by telephone or online.

The EUC program and its four tiers **expires week ending December 29, 2012**. This means that EUC claims for Tier I cannot be established after December 15, 2012, and claims for Tiers II through IV cannot be established after week ending December 29, 2012. **No EUC payments will be made for any week after December 29, 2012.**

The last day to qualify for 16 weeks of benefits on EUC Tier 4 is week ending May 26, 2012. Unemployed workers currently collecting benefits on EUC Tier 4 will have a readjustment of benefits to 16 weeks total. Any weeks of benefits previously paid on EUC Tier 4 will be deducted from the 16 week entitlement and only the balance after the deduction will be paid.

<sup>[1]</sup> Congress wrote into Federal law that EUC Tier 2 ends if a state's unemployment rate is less than 6%.

<sup>[2]</sup> Congress wrote into Federal law that EUC Tier 3 ends if a state's unemployment rate is less than 7%.
