

**MICHIGAN CIVIL SERVICE COMMISSION
JOB SPECIFICATION**

SENIOR EXECUTIVE PSYCHIATRIST DIRECTOR

JOB DESCRIPTION

Senior Executive Psychiatrist Director positions are part of the Senior Executive Service (SES) authorized and defined by Civil Service Commission Rule 4-7. Appointments are limited to a term not to exceed two years. Incumbents may be re-appointed to additional terms. Additional conditions of employment specific to the SES are addressed in the SES rule.

Employees in this job are responsible for the overall administration of psychiatric services and/or clinical direction of a state agency, facility, or psychiatric hospital/center including all program activities and patient care. Under executive direction, the employee develops and implements policies, procedures, and regulations of various medical services including all psychiatric services, patient care, program activities, training, and research programs. The position oversees regulatory requirements of a state agency, facility, and/or psychiatric hospital/center, which may involve The Joint Commission (TJC), Centers for Medicare and Medicaid Services (CMS), and/or the Michigan Mental Health Code and Michigan Public Health Code.

Position Code Title - Senior Exec Psych Director
