TAKING THE ACT

State Testing

This student information booklet is for all students taking the ACT[®] tests through ACT State Testing in participating states or districts.

Security Hotline

You can help protect the ACT. If you suspect an irregularity in testing—such as someone having access to the tests in advance, sending another person to test in his or her place, or copying someone else’s answers—please report your concerns by calling 1-877-777-7296 or providing information online at act.alertline.com. You can report your concerns anonymously.

Why Take the ACT

The ACT is a curriculum-based examination that matches well with the education standards in your state. Taking the ACT® tests can provide helpful information for **all** students, not just those who are planning to attend college.

Taking the ACT can give every student a measure of his or her academic strengths and weaknesses. You can use your results to recognize your academic strengths and areas where you need to improve, whether you intend to go to college or enter the workplace after high school.

If you are not considering college now, you may decide to make college part of your plans later. Your ACT results can help you begin the career exploration and planning process. It is likely that nearly everyone who graduates from high school will eventually have to continue their education to achieve their career or life goals.

The ACT includes multiple-choice tests in English, mathematics, reading, and science. The tests measure your educational development in those areas and are based on what you have learned—they are not aptitude or IQ tests.

If your state or district is administering the ACT Plus Writing, you will also take a Writing Test, for which you will write an essay in English in response to a prompt that defines an issue and presents two opposing points of view on that issue. The ACT Writing Test measures the writing skills you have acquired in your high school English courses and complements the multiple-choice ACT English Test. Many colleges use ACT Writing Test results as a guide for placing incoming students into first-year composition courses.

What You Need to Know to Take the ACT

General Information

This booklet gives you the information you need to take the ACT. You will complete the non-test portions of your answer folder during a scheduled, supervised session at school before the test date. On test day, you will record your responses to the tests on your answer folder. After testing is completed, your Test Supervisor (or Test Accommodations Coordinator) will send your answer folder to ACT. Score reports will normally be mailed about 3–8 weeks after we receive your answer folder.

Retest Restrictions

Students may take the ACT no more than 12 times total. In calculating the 12-test total, ACT makes exceptions for State Testing required by your district or your state's Department of Education. Go to www.actstudent.org for more information.

We have waived the 60-day retest restriction for State Testing. You may register to test on any regularly scheduled national test date and may also test on **one** of the state testing dates (initial or makeup; or once during the accommodations testing window, if approved).

If you complete testing on both the initial and makeup state test dates, the makeup scores will be cancelled automatically.

Test Accommodations

If you currently receive test accommodations in school as part of your Individualized Education Program (IEP) or a Section 504 Plan, ask your counselor whether accommodations have been requested for you for the ACT.

What Test Security Procedures Apply

Our test security procedures are designed to ensure that examinees have an equal opportunity to demonstrate their academic achievement and skills, that examinees who do their own work are not unfairly disadvantaged by examinees who do not, and that scores reported for each examinee are valid. In addition to the information in this section, see “Remedies in Response to ACT Errors or Testing Disruptions/Compromises” (page 19).

Prohibited Behavior at the Test Site

You will be dismissed and your answer folder will not be scored if you are found:

- Filling in or altering ovals on a test or continuing to write the essay after time has been called on that test
- Looking back at a test on which time has already been called
- Looking ahead in the test booklet
- Looking at another examinee's test booklet or answer folder
- Giving or receiving assistance
- Using a prohibited calculator

- Using a calculator on any test other than the Mathematics Test
- Sharing a calculator with another examinee
- In possession of or using any electronic device during testing or during breaks
- Attempting to remove test materials, including test questions or answers, from the test room by any means
- Using highlight pens, colored pens or pencils, scratch paper, notes, dictionaries, or any other testing aids not approved in advance by ACT
- Not following instructions or abiding by the rules of the test site
- Exhibiting confrontational, threatening, or unruly behavior
- Creating a disturbance or allowing an alarm to sound in the test room

IMPORTANT:

Read the information in this booklet carefully and keep it for reference. Do not return it to ACT or the school.

Cancellation of Scores by ACT

ACT reserves the right to cancel test scores when there is reason to believe the scores are invalid. Cases of testing irregularities—such as falsification of one's identity, impersonation of another examinee (surrogate testing), unusual similarities in the answers of examinees at the same test center, or other indicators that the test scores may not accurately reflect the examinee's level of educational development—may result in the cancellation of test scores. When ACT decides to cancel test scores, it notifies the examinee before taking that action (except in cases of testing compromises explained on page 19 of this booklet). The notice includes information about the options available regarding the planned score cancellation, including procedures for appealing the cancellation decision. In all instances, the final and exclusive remedy available to examinees who want to appeal or otherwise challenge a decision by ACT to cancel their test scores shall be binding arbitration through written submissions to the Dallas, Texas, office of the American Arbitration Association. The issue for arbitration shall be whether ACT acted reasonably and in good faith in deciding to cancel the scores.

Checklist for Taking the ACT

Before Test Day

- ✓ Prepare for the tests by reviewing *Preparing for the ACT*, which can be downloaded from www.actstudent.org if your school does not have a copy. This free booklet includes information about the tests, test-taking strategies, and complete practice tests for both the multiple-choice tests and the ACT Writing Test. Instructions on how to score your practice tests are also included.
- ✓ Complete the non-test portions of your answer folder during the scheduled, in-school session. (See instructions beginning on page 5.) Do not return the answer folder to ACT. Follow instructions from your school.
- ✓ If you do not have acceptable photo identification and the testing staff do not know you personally, ask a school official for a school letter of identification.
- ✓ Review the information about permitted and prohibited calculators below.

On Test Day

- ✓ Report for testing at the time designated by your school. You will not be admitted to test if you are late.

- ✓ Take the following items with you:
 - Acceptable Identification. Unless the testing staff can personally recognize you, **you will not be admitted to test without acceptable identification.**
 - Sharpened soft lead No. 2 pencils with good erasers (no mechanical pencils or ink pens).
 - A watch to pace yourself. Your supervisor will announce when 5 minutes remain on each test.
 - A **permitted** calculator (see box below).
- ✓ At the Test Site
 - Testing begins after all examinees are checked in and continues for about 3 1/2 hours for the ACT (No Writing) or 4 hours for the ACT Plus Writing. A short break is scheduled after the first two tests. If you are taking the ACT Plus Writing, you will have time after Test 4 in which to relax and sharpen your pencils.
 - The test security procedures on page 3 apply to all test sessions.
 - DO NOT take any of the following items into the test room:
 - Food or drink (including water), unless approved for medical reasons
 - Books, dictionaries, notes, scratch paper, or any unapproved testing aids
 - Highlight pens, colored pens or pencils, or correction fluid
 - **Any** electronic device other than a permitted calculator (examples include timer, cell phone, media player, headphones, PDA)
 - Reading material
 - Tobacco in any form

Identification Required

Unless the testing staff can personally recognize you, **ACCEPTABLE IDENTIFICATION must be presented at the time of check-in or you will not be admitted to test.** The ID you present must be *original*, not a photocopy or reproduction. Present ONE of the following. If it's not on this list, it's not acceptable, and you will not be admitted to test.

- **Current (not expired) Official Photo ID:** Must be issued by your school or city/state/federal government (such as driver's license or passport) on which BOTH your name and **current photograph** appear.
- **Published Individual Photo:** Recognizable individual photograph of you in a recent (within the last two years) publication, such as a newspaper or school yearbook, with your first and last names in the caption. All but yearbooks will be sent to us for our files.
- **School Letter of Identification:** Must be on original school letterhead with a **raised or inked school seal** and include an attached recognizable recent photograph with the school seal or official's signature across a portion of the photo **or** your name and physical description including age, gender, approximate height and weight, race, hair color, and eye color. You must personally sign the letter **in the presence of** the school official (who may **not** be a relative), and that official must also personally sign the letter. You will be required to sign this letter again on test day. Testing staff will send it to us and we will keep it.

Use of Calculators on the ACT Mathematics Test

It is your responsibility to bring a permitted calculator. We regularly update information about which calculators are **prohibited** and provide the most current information only via the Web or phone.

To be certain your calculator will be permitted on test day, go to www.actstudent.org and enter "calculator" as a keyword search or call **800/498-6481** for the most up-to-date information on permitted and prohibited devices. If you use a prohibited calculator, you will be dismissed and your answer document will not be scored.

You may use a calculator on the ACT Mathematics Test (but not on any of the other tests in the ACT). You are **not required** to use a calculator. All the problems can be solved without a calculator. If you regularly use a calculator in your mathematics work, you may wish to use one you are familiar with as you take the Mathematics Test. Using a more powerful, but unfamiliar, calculator is not likely to give you an advantage over using the kind you normally use.

You may use any four-function, scientific, or graphing calculator, unless it has features described in the current list of prohibited devices at www.actstudent.org. Other models may be permitted if you modify some of the calculator's features, such as removing paper tape, turning off sounds, removing power cords, or covering infrared data ports.

On Test Day

Be sure your calculator is working and has reliable batteries. You may bring a backup calculator and extra batteries to the test center. Testing staff will **not** supply batteries or calculators. You will **not** be allowed to share calculators during testing.

Testing staff will check your calculator to verify it is permitted, and they will monitor your use of your calculator to ensure that you:

- use it only during the Mathematics Test;
- use your backup calculator only after it has been checked by a member of the testing staff;
- do not share your calculator; and
- do not store test materials in your calculator's memory.

If your calculator has characters one inch high or larger, or a raised display, testing staff may seat you where no other examinee can see your calculator.

Completing Your Answer Folder

The information you provide on your answer folder will become part of your permanent ACT record.

Follow the instructions in this booklet and on the folder. Errors will delay or prevent us from preparing reports for you, your high school, or the colleges and agencies you indicate.

Because the folder will be processed by machine, be sure to:

- use a soft lead No. 2 pencil (no mechanical pencils or ink pens)
- fill in ONE oval completely under each letter or number you enter
- erase any errors cleanly without smudging

Begin on Page 1 of Your Answer Folder.

Even if a barcode label is on the back page of your answer folder, you must complete the information in Blocks A and B on page 1 and Blocks N, O, P, and R on the back page accurately to receive your score report.

A Name and Mailing Address. Print your name and current mailing address.

B Name. This is a mandatory field. Enter the name you want to have reported on your score reports, normally your legal name. **It is very important that you enter your name exactly the same way each time you test or request ACT services (such as Additional Score Reports).** If you do not, your scores will be delayed. If there is not enough space for your full name, enter as much as possible.

C Social Security Number. Provide a U.S. Social Security number if you have one. This helps ensure that your scores are correctly attributed to you and not another student with similar identifying information. Your Social Security number will be included in your record and used in accordance with our privacy policy. Colleges also frequently use Social Security numbers for matching scores to college applications. If you do not wish to provide your Social Security number or you do not have one, leave this field blank. If you do not provide your SSN, we will assign an ACT ID and that number will appear on your score reports.

D Date of Birth. This is a mandatory field and will be used to identify your record. Be careful that you enter your correct date of birth and not today's date.

E Gender. Fill in the appropriate oval.

F Racial/Ethnic Background. Respond to **both** parts of this field. ACT collects and reports this information in accordance with reporting guidelines issued by the U.S. Department of Education. These guidelines do not collect ethnic background at a more detailed level. Your responses will be released to the colleges that receive your score report only if they request this data.

G Citizenship Status. Fill in the appropriate oval.

H Telephone Number. If you have a telephone, enter your telephone area code and number. Also, fill in the correct oval for **type** of phone above where you enter your phone number.

I and J
These blocks have been completed for you. Do not alter even if incorrect.

K
Leave blank. Do not alter if completed.

L The ACT Educational Opportunity Service (EOS). This is a FREE college and scholarship information service for students who take the ACT. EOS permits you to receive important information about educational, scholarship, career, and financial aid opportunities from colleges, scholarship organizations, ACT, and other organizations. If you wish to participate, fill in the "Yes" oval.

By responding "Yes," you authorize ACT to send information about you (name, address, gender, high school, racial/ethnic background, and intended college major) to colleges and organizations so they may contact you about programs that you may be interested in exploring. (Your test scores and Social Security number are not reported through EOS.) All organizations that receive this information have agreed to use it only for this purpose.

Because your test has been funded by your state education agency, that agency will receive your record even if you respond "No" or leave this item blank.

M College Planning/Reporting Scores. Your high school and the state education agency **will receive your scores** whether you complete this block or not.

If you want to send your scores to colleges or scholarship agencies now, the code list begins on page 11. Find the code for each of your choices and enter the correct codes (up to four) **in order of preference.** Think carefully about your choices. **We cannot make changes in or additions to Block M after you submit your folder.**

If you currently do **not** plan to go to college, **skip** the code choice blocks and fill in the **FIRST** oval under "Non-reporting Option" at the right.

If you are considering college, but do **not** want us to report your scores to any colleges at this time, fill in the **SECOND** oval under "Non-reporting Option."

Requests for more than four codes and all requests for reports after you test (to any recipient) must be submitted and paid for as ASRs; see Additional Score Reports on page 19.

Members of Congress. To send a report to a member of Congress as part of your application for appointment to a service academy, find the code at www.actstudent.org.

Unlisted Institutions. To send a report to a college that is not listed in this booklet or on the Web, enter code 7000. One sealed report will be sent to you for each 7000 code entered; you may then forward the report to the unlisted college. Code 7000 reports are NOT accepted by colleges listed with their own code numbers.

→ **Turn Your Answer Folder to the Back Page.**

N Mailing Address. This is a mandatory field. **Leave a space between the parts of your street address.** Use the slash "/" to designate fractions (e.g., $\frac{1}{2}$, $\frac{3}{4}$). If you live in an apartment, enter the apartment number after the street name.

T Special Testing Reference Number. Leave this block blank unless you are given specific instructions to complete it.

U and V
Leave these blocks blank.

If a barcode label is on the back page of your answer folder, make sure your name is on it. If it is not, notify your supervisor. Do not alter the information on the label, even if it is incorrect.

Fill in the High School Course/Grade Information according to the instructions. Alternative course titles/descriptions are listed on page 6. Please provide information about your course-taking plans even if you don't have your grades available.

ACT Student Profile Section

Mark your answers on page 3 of your answer folder.

The Student Profile Section (SPS) is designed to help you think about your future education and to help colleges in their planning. Be sure the information you provide is as accurate as possible, because it will be used in various ways. For example, a college may use your ACT information as your application for admission; the information would then become part of your basic record at the college. Some scholarship programs may need your answers to certain SPS questions in order to consider you for an award.

Although you may skip any question that you do not wish to answer, we can provide colleges with your most complete profile only if you answer every question and provide updates each time you test.

Important: If you do NOT plan to go to college, you may skip many of the items.

Note: Some items are blanked out on the folder and are intentionally not listed. Skip those items.

For example, if you plan to enter a specialized music major that is not on the list (such as *Music History and Literature*), select the general music major 250 (*Music, General*). If you are completely undecided, mark 999.

Automatic Reporting of Scores

Some state/federal scholarship or education departments use ACT scores as one source of information to recognize student achievement. ACT reports student records for this purpose without requiring you to use one of your college choices. If your mailing address or high school is in one of the states or other categories listed at right, your ACT record will be reported automatically for consideration and/or research. Your scores will be reported unless you specifically direct us, in writing, not to do so. To direct us **not** to report your scores for this purpose, send a letter postmarked by the Monday immediately after the test date you don't want reported.

Address your letter to: ACT Institutional Services, P.O. Box 168, Iowa City, IA 52243-0168. NOTE: This will not affect the reporting of scores to the colleges you listed.

For individual state consideration: Arizona, Arkansas, Florida, Georgia, Idaho, Illinois, Iowa, Kansas, Kentucky, Louisiana, Maryland, Michigan, Mississippi, Missouri, Montana, Nevada, New Mexico, North Dakota, Ohio, Oklahoma, Pennsylvania, Rhode Island, South Dakota, Tennessee, Utah, Washington, and West Virginia.

For Presidential Scholars consideration: All states, District of Columbia, U.S. territories, Puerto Rico, and U.S. citizens abroad.

Congressional Codes

The up-to-date list of Congress and their ACT codes is at www.actstudent.org.

To find the code for a member of Congress, click on "Send Your Scores." Then click on the link for "College & Scholarship Codes." On the college code lookup page, find the member of Congress you want by selecting that state.

Scores on the Web

You can view your scores at www.actstudent.org at no charge **after** you receive your score report from ACT in the mail if you have a free ACT Web account.

If you do **not** have an account, please wait until **after** you receive your score report to create one. You must enter either the Social Security number or ACT ID from your score report when this information is requested as part of creating your account.

If you **do** have an account, please wait until **after** you receive your score report to log in to your account and check to see if your State Testing scores are available.

You can also use your ACT Web account to access other ACT services, such as requesting and paying for Additional Score Reports or registering to retake the test on a future national test date.

Reporting Schedule

Reports are normally **mailed 3–8 weeks** after we receive your answer folder. Initially, we send score reports only to you, your high school, and the colleges and scholarships you indicate by listing valid codes on your answer folder.

Your state education agency will also receive your State Testing record, even if you choose not to have ACT report your scores to any colleges.

- **Student Report**—Your report will be mailed to the address you enter on your answer folder. A guide to understanding your scores, *Using Your ACT Results*, will be included with your report. If you provide an inaccurate address, no report will be mailed.
- **High School Report**—A report will be mailed to the Director of Counseling at your high school.
- **College Reports**—Each college and scholarship agency for which you provide a valid code on your answer folder will receive a report. Each college requests the frequency of reporting—at least every two weeks.

Test Location

State Testing scores are indicated as “State” under “Test Location” on the reports sent to high schools and colleges.

One Test Date per Report

ACT score reports include only the results for the current test date. Because you direct the reporting of your scores, results from previous test dates are not included.

Confidentiality of Scores

To keep your scores confidential, they will not be given to anyone by telephone, fax, or e-mail.

ACT’s general policy on the release of test scores and other personally identifiable information you provide is that we will disclose such information only with your consent. However, there are certain exceptions to this general policy—for example, we report test scores to selected states for consideration for state scholarships. For a complete statement of our policies with respect to the use of your information, please review *Policies and Guidelines for Uses of Data from ACT-Owned Assessments*, which can be downloaded at www.actstudent.org/datause.html.

State Testing Record

Because your record is used to document participation in State Testing, you may **not** direct us to drop your State Testing record from our files.

Remedies in Response to ACT Errors or Testing Disruptions/Compromises

ACT takes steps that are intended to ensure that tests and answer documents are properly handled and scored. In the unlikely event that an error occurs in handling, shipping, processing, or scoring answer documents, or reporting scores, ACT will correct the error, if possible, or permit affected examinee(s) to retest if a makeup date is available. **These remedies are the exclusive remedies available to examinees for errors in handling, shipping, or scoring answer documents; or in reporting scores.**

ACT also takes steps that are intended to ensure standardized test administration. If events occur that cause testing at a test center to be cancelled or interrupted, involve a mistiming on any part of the test, result in a deviation from standard testing procedures, raise concerns about possible advance access to test content by any examinee(s), or otherwise disrupt or compromise the testing process, ACT will examine the situation and determine whether action is warranted, including nonscoring of answer documents or cancellation of scores. If ACT, in its sole discretion, determines action is warranted, each affected examinee (and the examinee’s school) will be notified of the action taken, including the nonscoring of answer documents or the cancellation of scores if the answer documents have been scored. Examinees have the option of taking the ACT (No Writing) or ACT Plus Writing again on a future national test date, usually at their own expense, if they wish to receive scores. **These remedies are the exclusive remedies available to examinees affected by disruptions or compromises in the testing process.**

Requests for reports to more than four college choices—and all requests after testing for reports to **any** recipient (e.g., high school, college)—must be submitted and paid for as ASRs.

ASR Services Available

We will report **only** the results for the test date you specify on your request by month and year (one test date per report). If you test more than once in the same month, you must also specify the test location (e.g., National, State). The following services are available:

- **Regular Report** (\$10.00 per report)—Normally processed within one week **after** receipt of request.
- **Priority Report** (\$15.00 per report)—Normally processed within two working days **after** receipt of request and usually delivered **3–4** business days later.

Regular reports are included in the next reporting cycle requested by the college—at least every two weeks. Priority reports are sent only within the U.S. Colleges that receive scores only electronically might not review priority reports.

If you tested **before** September 2008, an additional nonrefundable archived report fee applies for each request of those scores.

Ordering ASRs

Wait until **after** you test to submit your request. **Your scores are available for additional reporting only after all scores for your test option have been processed.** See “Reporting Schedule” on this page. Once you submit your request, by any method, it cannot be changed or cancelled.

- **Online**—Create or log into your ACT Web account at www.actstudent.org and choose “Send Your Scores” (valid credit card required).
- **By Mail**—Download and print a copy of the ASR request form from www.actstudent.org. Complete and mail the form with your payment to the address shown on the form.
- **By Phone**—Request up to eight priority reports (**no** regular reports) from ACT Records, **319/337-1313**. An additional **\$12.00** service fee is charged for **each** call. You must pay by valid credit card.
