

Bully-Free Schools Survey
Script for Survey Administrator

This survey asks about your experiences in our school. We are asking these questions because we are trying to make sure our school is a safe place that helps all students learn.

The answers you give will be kept private. No one will know how you respond. Answer the questions based on what you really do and think.

Completing the survey is voluntary. Whether or not you answer the questions will not affect your grade in this class. If you are not comfortable answering a question, just leave it blank.

Make sure to read each question carefully before you answer.

If you have a question, raise your hand, and I'll try to help you. Remember, this survey is about what you really do and think.

When you are finished, please remember that others may be finishing the survey and remain quiet.

Thank you for participating. You may begin.
