

Profile of a Graduate

Communicate & Collaborate

Communicate and collaborate effectively with a variety of audiences

Argument & Reasoning

Use argument and reasoning to do research, construct arguments, and critique the reasoning of others

Michigan's citizens have high expectations that the state's K-12 graduates will be prepared for life. Career & college-ready students possess the skills necessary to earn a self-sustaining wage and participate in post-secondary opportunities without remediation.

Michigan's "Profile of a Graduate" includes characteristics of career & college-ready students that are evident within all of the academic standards, including those in the arts and the Career and Technical Education (CTE) Career Ready Practices.

Students obtain these skills through instruction that includes real-world challenges, cross-content integration, relevancy to student lives, and transfer of knowledge.

Social & Emotional Learning

Demonstrate knowledge, attitudes, and skills to manage emotions to enable responsible decisions and successful choices

Technology & Tools

Use technology and tools strategically in learning and communicating

Solve Problems

Solve problems, construct explanations, and design creative and innovative solutions
