

OEAA Secure Site Nonpublic School Administrator User ID Request

This form is to request a Nonpublic School Administrator Level User ID for the OEAA Secure Site. **The nonpublic school administrator level user will be responsible to create new users, change level of access for current users, and deactivate users for the school as needed.**

The OEAA Secure Site provides access to federally protected student data, it is imperative that both the school administrator/principal and the administrator level applicant understand the sensitive and confidential nature of the data accessible on the OEAA Secure Site and affirm compliance with all Family Educational Rights and Privacy Act (FERPA) regulations (www.ed.gov/policy/gen/guid/fpc/ferpa/index.html).

To obtain a Nonpublic School Administrator Level Access, the nonpublic school administrator or principal must complete all sections in the left column and the applicant must complete all sections in the right column.
