Ms. Wells,

It was a pleasure meeting you last Friday and I am happy that you will working with our team. We have a Technical Advisory Committee that was formed over the last year and our next scheduled meeting is tomorrow at 2:00 - 4:30 pm at City Hall. I would like to invite you to be a participant at the meeting which will include the top lead experts from the EPA and several of our DEQ representatives.

Your input here would be very valuable, I will look forward to seeing you there if you can make it. Please call or email me if you need directions.

Thank you,
