Good afternoon ,

I do hope to make it, but may need to call in. I wanted to add that MDEQ Director Wyant had added my college from UM School of Public Health, Dr. Al Franzblau, an Environmental Health Scientist. May I forward the agenda to Dr. Franzblau?

Ms. Wells,

It was a pleasure meeting you last Friday and I am happy that you will working with our team. We have a Technical Advisory Committee that was formed over the last year and our next scheduled meeting is tomorrow at 2:00 - 4:30 pm at City Hall. I would like to invite you to be a participant at the meeting which will include the top lead experts from the EPA and several of our DEQ representatives.

Your input here would be very valuable, I will look forward to seeing you there if you can make it. Please call or email me if you need directions.

Thank you,
