

Your journey to recovery starts here.

Living with opioid use disorder is hard. Not only that, but it makes understanding how to get help even more challenging. The Opioid Health Home simplifies everything for you. This benefit is for Medicaid, the Healthy Michigan Plan, Freedom to Work, Healthy Kids Expansion or MICHild enrollees.

Our team of healthcare providers will work with you to coordinate, support, and help manage your recovery and other healthcare and social needs. With this extra support, you can take control of your care and start working toward long-term recovery.

The Michigan Department of Health and Human Services does not discriminate against any individual or group because of race, religion, age, national origin, color, height, weight, marital status, genetic information, sex, sexual orientation, gender identity or expression, political beliefs, or disability.

What is the Opioid Health Home program?

A “health home” is not a place to live – it’s a model of care that will coordinate your health and social needs. You’ll receive enhanced recovery-centered services as well as a personalized plan from your team of providers.

Program objectives

Through the delivery of core health home services, the program’s overarching goal is to:

- Improve patient outcomes and long-term recovery
- Provide efficient, coordinated, and integrated behavioral and physical healthcare
- Increase access to healthcare
- Increase hospital post-discharge follow up
- Create a continuum of care
- Reduce healthcare costs
- Reduce unnecessary hospital admissions and readmissions
- Reduce unnecessary emergency room visits
- Increase the use of health information technology

Participating in the Opioid Health Home is voluntary and does not limit your current healthcare coverage or appeal rights.

Experience the benefits of a health home.

With a team by your side, you can feel better about your health. We’ll give you the extra support and services you need to manage your care – at no additional cost.

Benefits include:

- Comprehensive care management
- Coordinated care tailored to your specific needs
- Transitional care assistance
- Health Education and promotional resources
- Individual and family support
- Referral to appropriate community and support services
- Access to a team of healthcare professionals

Am I eligible?

You may be eligible for the Opioid Health Home if:

- You have been diagnosed with an Opioid Use Disorder
- You have Medicaid, Healthy Michigan Plan, Freedom to Work, Healthy Kids Expansion or MICHild
- You live in designated OHH county

Should you need to opt out of the health home, you can do so at any time with no impact on your current healthcare coverage.

Call your local Prepaid Inpatient Health Plan (PIHP) and ask about the Opioid HealthHome. Your PIHP is your Specialty Behavioral Health Plan. They can answer questions about program benefits and help you schedule an appointment with a participating provider.

Find your PIHP’s contact information and a directory of participating providers at Michigan.gov/OHH
