CSHCS-MC: Children's Special Health Care Services-Managed Care:

This plan is assigned to CSHCS beneficiaries who also have full Medicaid coverage and are enrolled in a Medicaid Health Plan (MHP). The MHP receives a capitation payment and provides the full range of covered services. Specific services carved out of the MHP contract will remain covered through MA Fee-For-Service.

As of October 1, 2012, beneficiaries who have both Children's Special Health Care Services (CSHCS) and Medicaid coverage started being enrolled into Medicaid Health Plans (MHP). The MHPs are responsible for all of the medical care and treatment of their members. Community based services beyond medical care and treatment are still available through the local health department CSHCS offices.
