2016-2017 ANNUAL REPORT

MICHIGAN DEPARTMENT OF TREASURY - STUDENT FINANCIAL SERVICES BUREAU

Message from the DIRECTOR

I am pleased to share with you what Student Scholarships and Grants (SSG), within the Michigan Department of Treasury - Student Financial Services Bureau, has accomplished during the 2017 fiscal year. The following report provides information about funds administered and number of Michigan students awarded.

Our goal during the year was to enhance the customer service experience and to expand resources to help Michigan students afford college. In addition to promoting State aid programs, we utilized a place-based scholarship initiative to identify more opportunities for students. We analyzed data to determine what areas of the state had low Free Application for Federal Student Aid (FAFSA) or Tuition Incentive Program (TIP) application completion rates and then worked with our Outreach Unit (MI Student Aid) to target those areas as they developed regional statewide events.

Our data management system, MiSSG has allowed for easier access for students, counselors and financial aid administrators. Students can quickly set up a portal account where they can view their award information in real-time. Counselors can easily identify which of their students haven't filed a FAFSA or completed their TIP application. It's no longer necessary for students to provide eligibility documentation to their college. Colleges can view student awards and certify enrollment directly from MiSSG.

MiSSG update:

- Added three additional programs (Tuition Incentive Program, Children of Veterans Tuition Grant, and Police Officer's and Fire Fighter's Survivor Tuition Grant) to MiSSG, for a total of five current programs.
- We began gathering the requirements for the future implementation of the Fostering Futures Scholarship, MI GEAR UP, and Dual Enrollment programs with anticipated completion Summer 2018.
- Provided assistance to 30,557 MiSSG users.

SSG continues to focus on working with students and parents regarding eligibility for state awards.

Sincerely,

Carla Foltyn, Director

Footnotes:

*Total amounts for MCS and MTG are noted as Funding Source in this chart. Other sections of this report show distribution by Award Type.

The higher number of awarded MCS students exceeded the 2017 appropriation. A total of \$6,978,851 of MCS funds went to MCS students attending private institutions. The lower enrollment of strictly MTG students (15,920) left approximately \$6,300,000 in the MTG fund. Approximately \$1,600,000 was then transferred to cover the MCS shortfall. Approximately \$4,700,000 remained in the MTG fund to be carried forward for 2018 awards. This illustrates that the funding between the programs should be rebalanced.

Children of Veterans Tuition Grant (CVTG)

The program provides undergraduate tuition assistance to certain children of qualified Michigan veterans who are permanently and totally disabled, MIA, or deceased. The renewable award pays a maximum of \$2,800 per academic year.

This caused the MCS fund to be over-committed by approximately \$1,600,000 therefore; MTG funds were transferred to the MCS fund. Total awards are duplicated counts due to students transferring between semesters/institutions.
