

MiSSG for Students How to Update Institution

The [MiSSG Student Portal](#) allows students to create an account, complete State financial aid program applications, monitor State financial aid eligibility, and transfer institutions.

For **students** to create an account, they must know their Social Security number (SSN). If the student does not have an SSN, they should contact MI Student Aid at 888-447-2687 for assistance. The MiSSG Student Portal is available at michigan.gov/misssg.

Eligibility for State financial aid programs is evaluated based on the first college listed on the FAFSA.

If the student's college choice changes, there are three options to update:

1. Create a [MiSSG Student Portal](#) account and change their institution.
2. Call our Customer Care Center at 1-888-447-2687.
3. Make an update to their FAFSA by logging into StudentAid.gov.

How to Update the College on File in the MiSSG Student Portal

1. Log into your MiSSG Student Portal account.

The screenshot shows the login page for the MI Student Aid Scholarships and Grants (MiSSG) Student Portal. The page features the MILEAP logo (Michigan Department of Lifelong Education, Advancement, and Potential) and the MI Student Aid logo. The login form includes a 'User Name' field, a 'Forgot user name' link, a 'Login' button, and a 'Create Account' button. The footer contains links for 'MI Student Aid', 'Site Policies', 'Privacy Policy', and 'MI.gov', along with a copyright notice for 2025 State of Michigan.

- From the MiSSG Student Portal Dashboard, scroll down to “Current Institutions.” By default, the current academic year is displayed. Select the desired academic year from the dropdown. Click “Update.”

A red box highlights the "Current Institutions" dropdown menu, and a red arrow points to the "Update" button below it.

- Select the institution you plan to attend from the “Transfer Institution” dropdown. Then select the term you will be transferring/starting from the “Transfer Term” dropdown.
