Description

The Police Officer's and Fire Fighter's Survivor Tuition Grant (STG) provides for the waiver of tuition at a Michigan community college or public university for children and surviving spouses of Michigan police officers and fire fighters killed in the line of duty. The program is intended to provide an educational benefit to the spouse and children of police officers and fire fighters who made the ultimate sacrifice for their communities and the citizens of Michigan.

It is the responsibility of the college financial aid office to coordinate all sources of aid for which a student may be eligible. Tuition may be waived only to the extent that the tuition is not covered or paid by any other scholarship, trust fund, statutory benefit, or other source of tuition coverage.

Program eligibility ends when a student receives a bachelor's degree, after completing the equivalent of nine semesters (124 semester hours) or 14 terms (180 term hours), whichever occurs first.
