

**PLEASE NOTE THE FOLLOWING:**

Recent changes in the law require anyone applying for a state identification card or a driver's license (including a GDL Level 1 or Level 2 license) to provide documentation of a valid Social Security number, U.S. citizenship or legal presence, identity and residency. Although we are revising the booklets What Every Driver Must Know and the Michigan Graduated Driver Licensing: A Guide for Parents, the Web version and printed copies do not yet reflect these latest changes.

More information about the licensing and ID card requirements is available on the Department of State Web site under Driver's License or State ID or by calling (888) SOS-MICH (767-6424).
