- A resident of your city or township for at least 30 days (when you vote)

We won't share your driver's license and Social Security number, day and month of birth, email, phone number (or decision to not register). Some voter registration information, however, is public.

If you're eligible and check the following box, we will register you to vote. We will also register you to vote if you have already established your U.S. citizenship in a previous application with our office.

☐ Use my information for voter registration.

I hereby certify, under penalty of perjury, that the information contained on this application is true and correct, and that a court is not holding my license. I understand that if I have provided false information to apply to register to vote, I may be subject to federal or state criminal penalties.

* Forms without a signature will not be processed.

Notice: Michigan law requires that the same address be used for voter registration and driver's license purposes. **If the residential address you provided above differs from your voter registration address as it appears in the Qualified Voter File, the Michigan Secretary of State will automatically change your registration to match the residence address on this application**, after which your voter registration at your former address will no longer be valid for voting purposes. A new voter registration card will be provided to you by your local clerk.

After completing the form, return it by mail to:

Michigan Department of State
P.O. Box 30764
Lansing, MI 48909-8264

If changing your driver's license or ID card address, an address label for the back of your license or ID card will be mailed to you within 14 days. If registering to vote, your voter registration won't be valid until accepted by your local clerk. If your voter identification card doesn't arrive within three weeks, contact your city or township clerk.

When changing your address by mail, a letter verifying the change and containing the new address will be mailed to your old address. If you don't want residents at your old address to have your new address, then you should change your address in person at a Michigan Secretary of State office.
