Use tax return

Final determination of the correct tax liability is made by the Michigan Department of Treasury. You may be required to document your tax return or prove you are entitled to the exemption claimed. If you cannot support your claim, minimum penalties include the added tax, a negligence penalty, plus interest from the date of filing this application. Additional penalties can be imposed including criminal prosecution or assessing up to 175% of the tax due.

"A person who violates a provision of this section with intent to defraud or to evade...the payment of a tax, or a part of the tax, is guilty of a felony, punishable by a fine of not more than $5,000, or imprisonment for not more than five years, or both." Sec. 27, Public Act 162 of 1980.

Exemption (transfers between relatives): An exemption from use tax is allowed when the new owner is the spouse, father, mother, brother, sister, child, stepparent, stepchild, stepbrother, stepsister, half-brother, half-sister, grandparent, grandchild, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparent-in-law, legal ward, or legally-appointed guardian of the previous owner. Documentation proving the relationship may be requested by the Michigan Department of Treasury.

To complete the section providing for payment of the use tax:

Line 1 – Enter the full purchase price or retail dollar value. The full purchase price includes the full amount paid to the previous owner together with any outstanding debt owned. Such payment means money, credit, services rendered, trades or anything of value.

Line 2 – Enter 6% of the amount of line 1.

Line 3 – Enter any sales or use tax paid in another state (including the tax paid to local government units) which is reciprocal with Michigan. Submit proof.

Line 4 – Enter the amount of use tax due. If line 3 is completed, the tax due will be the difference between line 2 and the tax shown as paid on line 3. In all other cases, line 4 will be the same as line 2.
