Instructions for 2022 Seller's Use Tax Return (Form 5088)

Do not use this form if you are registered with Michigan to pay sales or use tax.

If you are a seller that is not registered with Michigan to pay sales tax or use tax, and a customer has requested to pay the Michigan 6% (six percent) use tax on their purchase from you and asks you to remit the use tax directly to the State of Michigan, you may use this form. Out-of-state sellers that are not required to remit Michigan sales or use tax often do this as a convenience to their Michigan customers who would otherwise be responsible for reporting and remitting Michigan use tax.

The Michigan Use Tax Act, levies upon every person in Michigan a specific tax for the privilege of using, storing, or consuming tangible personal property in Michigan at a rate equal to 6% of the price of the property. Certain services, such as telecommunications and accommodations, are also taxable. There are no local (city or county) sales taxes in Michigan.

"Price" is defined as, "the total amount of consideration paid by the consumer to the seller, including cash, credit, property, and services, for which tangible personal property or services are sold, leased, or rented, valued in money, whether received in money or otherwise, and applies to the measure subject to use tax" MCL 205.92(f). "Tangible personal property" is defined to

mean, "personal property that can be seen, weighed, measured, felt, or touched or that is in any other manner perceptible to the senses and includes electricity, water, gas, steam, and prewritten computer software" MCL 205.92(k).

Purchase price includes "services necessary to complete the sale," "delivery charges," and "installation charges" incurred or to be incurred before the completion of the transfer of ownership of the property MCL 205.92(f)(iv)-(v). Delivery charges are defined to mean, "charges by the seller for preparation and delivery to a location designated by the purchaser of tangible personal property or services. Delivery charges include, but are not limited to, transportation, shipping, postage, handling, crating, and packing" MCL 205.2b(e).

File on or before the 20th day of the calendar month succeeding the month for which tax was collected. For example, tax collected in the month of January is due February 20th.
