RE: Amended L-4029

To Whom It May Concern:

I am submitting amended L-4029's for your use. We had mistakenly been told that the election would impact both the sinking fund levy and the levy for the 18 operating mills. That was an error. This election will not impact this year's levy on the 18 operating mills, only the sinking fund.

I will let you know as soon as the election results are confirmed in November if the Headlee cushion passed.

RE: L4029

RECEIVED SCED
AUG 28 2018

Dear Sir/Madame:

Attached you will find two L-4029's for Almont Community Schools. In November of 2018, we are holding an election and asking the voters to renew our 18.0000 mills in additional operating funds. We are also seeking two Headlee Cushions/Hedges to protect both the 18.0000 mills and the 1.0000 mill sinking fund.

I have prepared the L-4029's to be prepared for both possible outcomes, that the millage renewal passes or fails. I urge you to hold off on printing your winter invoices until we have the election results and know which L-4029 will be correct.

If you have any questions, please feel free to contact me. Thank you for your patience and assistance during this election year.

Sincerely,

Barbara Potter
