For use by tribes that do not have a tax agreement with Michigan.

General Instructions. *Tribe* means the purchasing tribe. *Reservation or Trust Lands* means the tribe's reservation or lands held in trust by the United States government on behalf of the tribe where located in Michigan.

This form is intended to be used only by tribes that do not have a tax agreement with the State of Michigan and that are asserting an exemption from Michigan sales or use taxes based upon federal Indian doctrine principles.

Before submitting this form, read the *Notice Regarding Sales to Federally Recognized Indian Tribes or Their Qualifying Members* on the Michigan Department of Treasury's Native American website at www.michigan.gov/taxes/tribes.

PART 1: PURCHASING TRIBE INFORMATION

Line 1. Federally recognized tribes located in Michigan that do not have a tax agreement with Michigan are:

- Keweenaw Bay Indian Community
- Lac Vieux Desert Band of Lake Superior Chippewa Indians

Line 11: Identification number for those vehicles/vessels purchased that are required to be registered in Michigan. E.g., motor vehicles, watercraft, ORVs, etc.

Line 13: Examples of intended use include (but are not limited to) a truck for plowing snow, buses for transporting gaming customers, beds for hospitals, etc.

Lines 14-17: Identify whether the activity or physical location is within the tribe's legally recognized reservation boundaries or lands held in trust for the tribe by the United States Government. If the location is in Michigan but is somewhere other than the tribe's reservation or trust lands, check "Other Michigan Location." If the location is outside of Michigan, check "Out of State."

Line 14. Identify where each of the identified components of the transaction occurred. Some examples clarifying the various components are as follows:

Solicitation. Did the seller come to your location and solicit the sale? Did you receive a solicitation in the mail?

Payment. Did you pay at the seller's location? Did you send a check via mail? Did you charge via the telephone or the internet?

Exchange of possession. Did the seller deliver the item to your location? Did the seller have the item delivered to your location by another party? Did you pick up the item from the seller's location?

Line 16: Check each box that applies. For example, if the item will be used on the tribe's reservation, trust lands, and at other Michigan locations, check all three boxes.

Line 18: Answer "yes" if the tribe expects to request exemptions for similar purchases where all of the information provided on this form also will apply.

Line 19: Indicate whether the tribe is seeking a refund for taxes already paid or an exemption letter to be sent to the tribe to be presented to the seller at the time of purchase.
