Dear Representatives, Senators, and Directors;

Under Section 208 of PA 166 of 2022, this Department is directed to prepare a report on out-of-state travel expenses not later than January 1 of each year. The specific language states:

The travel report shall be a listing of all travel by classified and unclassified employees outside this state in the immediately preceding fiscal year that was funded in whole or in part with funds appropriated in the department's budget. The report shall include the following information:

December 19, 2024

- (a) The dates of each travel occurrence.
- (b) The total transportation and related costs for each travel occurrence, including the proportion funded with state general fund/general purpose revenues, the proportion funded with state restricted revenues, the proportion funded with federal revenues, and the proportion funded with other revenues.

In response to the boilerplate language, the Department is providing the attached Out-of-State Travel Report for fiscal year 2024.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Ashley Steffen". The signature is written in a cursive, flowing style.
