ADD YOUR PHONE NUMBER TO THE DO NOT CALL REGISTRY

The Michigan Legislature adopted the National Do Not Call Registry as the state do-not-call list for Michigan consumers who do not want to receive telemarketing calls. Registering your telephone number is FREE and there are two easy ways to sign up:

1. Go to the [National Do Not Call Registry's website](https://donotcall.gov) (donotcall.gov). Enter the numbers you want to register and your email address. You will receive a confirmation email and you must click on the link in the email within 72 hours; or
2. Call 888-382-1222 from the phone number you want on the list.
