				(1,072,909,170.71)

*The General Fund and School Aid Fund are Major Funds. For budgetary reporting purposes, expenditures and transfers out in the 'Actual' amount includes recorded encumbrances (the change in encumbrances from prior year), because they are considered uses of spending authority in the year the State incurs an obligation. The 'Budget' amount in this report does not include encumbrance authorization carried over from the prior fiscal year. Refer to the Notes to Required Supplementary Information - Budgetary Reporting section in the State of Michigan Annual Comprehensive Financial Report for more information.

The Budget, Actual, and Variance amounts for each of the funds listed within this report correspond to the amounts in the Budgetary Comparison Schedule – Major Governmental Funds and the Combining Schedules of Revenues, Expenditures, and Changes in Fund Balances – Budget and Actual within the State of Michigan Annual Comprehensive Financial Report.

Also, the Budget, Actual, and Variance amounts for each of the funds listed in this report equal the total Budget, Actual, and Variance amounts for each of the funds listed within the Summary by Appropriation and Fund report, which is presented at the appropriated line item level of detail (legal level of control for the State's Budget).

Budget is calculated as follows:

1. Sum of Budget and Expenditure Credits less P/Y Encumbrances,
2. Sum of Calculated Budget and Expenditure Credits less P/Y Encumbrances,
3. Sum of Gross Spend Auth, Multi-Year Project and Expenditure Credits less P/Y Encumbrances, or
4. Sum of Current GP Budget, Transfer In/Out, Budget Adjust, Unexpended from P/Y, Rest Rev Addition, Rest Rev Not Auth, Multi-Year Project and Expenditure Credits less P/Y Encumbrances

Actual is calculated as follows:

1. The sum of Expended/Transfer, Encumbrances, Expenditure Credits less P/Y Encumbrances

Variance is calculated as follows:

1. The sum of Rest Rev Auth, Lapses, and Overexpended
