Dear Legislators:

As part of the book closing process for fiscal year 2023, I am hereby transmitting an additional appropriation year 2023 request which is a line-item appropriation designated as a work project by law (i.e., statutory work project).

Specifically, this Department of Labor and Economic Opportunity work project within the Michigan Strategic Fund is necessary to appropriately recognize revenues for component unit accounts within 60 days of the end of the fiscal year, thereby requiring a technical adjustment to the accounting treatment for this program. Due to this new work project request, no activity will occur in the recently approved work project of the same name.

This report can be found under "Spending and Revenue Reports" at <http://www.michigan.gov/budget>. If you have any questions concerning work projects, please contact my office at (517) 335-3420.

Sincerely,

Jennifer L. Flood
State Budget Director
