Dear Legislators:

SUBJECT: Work Projects – New 2024 Coronavirus-19 and Statutory Projects

As part of the book closing process for fiscal year 2024, I am hereby transmitting new Coronavirus-19 and statutory work project lists for your information and review. These work projects are being transmitted in advance of the remaining work projects due to the timing of spending these funds.

1. The first list summarizes appropriation year (AY) 2024 line item appropriations which I recommend be designated as work projects under the provisions of Section 451a(3) of the Management and Budget Act, 1984 PA 431, MCL 18.1451a (i.e., non-statutory work projects). These designations may be disapproved by either Appropriations Committee within 30 days after the date of notification and, if disapproved within that time period, shall not be effective.
2. The second list summarizes specific AY 2024 line item appropriations designated as work projects by law (i.e., statutory work projects).

This report can be found under “Spending and Revenue Reports” at <http://www.michigan.gov/budget>. If you have any questions regarding this request, please contact my office at (517) 335-3420.

Sincerely,

Jennifer L. Flood
