

Updated as of December 7, 2022

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our [Report Calendar](#).

Recently Released to the Public

2021-22

- The [School Index](#) report displays school accountability measures as an index value from 0-100. Index numbers are based on how well the school met targets in areas including assessment performance, assessment participation, student growth, graduation rates, attendance rates and postsecondary enrollment. Schools receive an overall index as well as index values for the individual targets.

2021-22

- The [Student Growth](#) report shows changes in scores for students who have taken two or more consecutive state assessment tests in Michigan. Student growth is represented by the Student Growth Percentile, which groups students with similar score histories and compares their most recent performance. Data will be publicly released within a week.

Coming Soon

2021-22

- The [Annual Education Report](#) displays detailed information on student assessment, accountability, educator qualifications, National Assessment of Educational Progress, and Section 1003 School Improvement funds for schools, districts, and the state.
- The [School-Level Expenditure Report](#) breaks down expenditures of federal, state and local funds for public schools. Users can compare expenditures at county, city, ISD, district or school levels.
- Financial information reports include district and statewide [expenditure](#), [revenue](#), [fund balance](#) and [balance sheet](#) data. Additionally, the [District](#)

[Financial Transparency Dashboard](#) provides a comprehensive view of district finances, including up to five years of trend information.

- The following items on the [Parent Dashboard](#) will be updated:
 - **English Learner Participation** shows whether at least 95% of English learner students took the WIDA test.
 - **English Learner Progress** shows the percent of EL students who, based on improvement in their WIDA test scores, are on track to being proficient in English within three years.
 - **On-Track Attendance** shows the percent of students who miss fewer than 10% of possible attendance days.
 - **Percent of Graduates from High School who are Proficient on the SAT** can be used in predicting success at a college or university.
 - **Progress** shows the percent of students on track to becoming proficient on the SAT, PSAT, M-STEP and/or MI-Access state tests, or who are already proficient and continue to improve their scores.
 - **Test Participation** shows whether at least 95% of enrolled students took state tests in all subjects.
 - **School Services and Offerings** contains information on schools' select programs and services such as extracurricular activities, electives, support services and more. The data will be updated with information from the MSDS and the Points of Pride section of the EEM as of July 1, 2022. This update will also feature a new user-friendly, universal display that displays the full set of available values for each metric.
- Head Start, GSRP and GSRP/Head Start Blend providers with secure accounts can use the [Third Grade Assessment Outcomes for Early Childhood Participants](#) report to see how students who were previously enrolled in their programs performed on third grade M-STEP assessments.

2019-20 and 2020-21

- The **Enrolling and Passing Coursework** metric on the [Parent Dashboard](#) shows the percent of students who enrolled in and passed advanced courses including Advanced Placement, International Baccalaureate, Career and Technical Education, Early Middle College and Dual Enrollment classes. The **Advanced Coursework** metric on the Parent Dashboard Overview contains the same data and will also be updated.
