

Updated as of February 15, 2023

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our [Report Calendar](#).

Recently Released to the Public

2022-23

- The [Student Enrollment Counts](#) report provides the unduplicated count and composition of students attending a specific Michigan district or school.
- **School Services and Offerings** on the [Parent Dashboard](#) contains information on schools' select programs and services such as extracurricular activities, electives, support services and more. The data have been updated with information from the MSDS and the Points of Pride section of the EEM as of Dec. 9, 2022.

2021-22

- Data showing student achievement at Michigan's colleges and universities are found in the [College Degrees and Certificates Awarded](#) report.
- The following metrics on the [Parent Dashboard](#) have been updated:
 - **English Learner Progress** shows the percent of EL students who, based on improvement in their WIDA test scores, are on track to being proficient in English within three years.
 - **Progress** shows the percent of students on track to becoming proficient on the SAT, PSAT, M-STEP and/or MI-Access state tests, or who are already proficient and continue to improve their scores.

Recently Released in Preview

Unless otherwise noted, data will be publicly available within a week.

2022-23

- The [Early Childhood Program Participation by Kindergarten Class](#) report shows the publicly funded early childhood education programs in which students were enrolled before entering kindergarten, such as *Early On*®, Early Childhood Special Education, Great Start Readiness Program,

Head Start and GSRP/Head Start Blend.

- The [Retained in Grade](#) report shows counts and percentages of students who were enrolled in the same grade level for two consecutive years.
- Annual counts and FTE of teachers, administrators, paraprofessionals and other staffing groups are included in the [Staffing Count](#) report, including breakouts by age range, longevity, race/ethnicity, gender and highest education level.

2021-22

- [College Remedial Coursework](#) shows the number of Michigan public high school graduates who took at least one remedial course after enrolling in a Michigan college or university the year after high school graduation.
- The [English Learner Student Growth](#) report shows how much growth English learner students made in learning the English language in comparison to their EL peers, as measured across two consecutive years of the WIDA ACCESS for ELLs.

Coming Soon

2022-23

- The [Quick Facts](#) report provides an overview of the types and counts of education buildings in a selected location. Data can be viewed by state, ISD and district.
- The [Pathways to Kindergarten](#) report shows the order in which children enrolled in various publicly funded early childhood education programs before beginning kindergarten. Data will be released in Preview and will be publicly available a week later.
- The [Schools of Choice and Other Non-Resident Enrollments](#) report displays counts and percentages of students enrolled in a school outside of the district where they live. Data will be released in Preview and will be publicly available a week later.

2021-22

- The percent of public high school students who graduated or dropped out is shown in the [Graduation/Dropout Rate](#) report. Users can view four-, five- and six-year rates for a selected school year. Data will be released in Preview and will be publicly available a week later.
- Student progression in postsecondary education after high school graduation is shown in the [College Progression by Graduating Class](#) report. Data will

be released in Preview and will be publicly available a week later.

- Data showing transfer patterns, demographics and performance data for students who transferred into or out of a Michigan college or university are available in the [College Transfer](#) report. Data will be released in Preview and will be publicly available a week later.
- The [College Undergraduate Enrollment](#) report offers a closer look at undergraduates at Michigan's colleges and universities, including the number of degree-seeking students, student age, and whether students graduated from a Michigan public high school the year prior to enrollment. Data will be released in Preview and will be publicly available a week later.
- The [CTE Programs Offered](#) report contains an interactive map showing the locations of Career and Technical Education programs offered in Michigan. Users can search for CTE programs by location or by specific program.
- The following items on the [Parent Dashboard](#) will be updated:
 - **Dropout Rate** shows four-, five- and six-year dropout rates for the three most recent school years.
 - **English Learner Participation** shows whether at least 95% of English learner students took the WIDA test.
 - **Graduation** shows four-, five- and six-year graduation rates for the three most recent school years.
 - **On-Track Attendance** shows the percent of students who miss fewer than 10% of possible attendance days.
 - **Percent of Graduates from High School who are Proficient on the SAT** can be used in predicting success at a college or university.
 - **Test Participation** shows whether at least 95% of enrolled students took state tests in all subjects.
