Released to the Public

New Development

- The new [Early Middle College Enrollment and Outcomes](#) report explores trends in enrollment, completion, and awards earned through EMC programs.

Coming Soon

2022-23

- The [Postsecondary Student Data File](#) lets users with secure access view student-level information on college enrollment, coursework, cumulative credits, program and award information, and GPAs for students from in-state and out-of-state colleges and universities.
- The Postsecondary [Success Rates](#) report shows the number of degree-seeking students achieving successful outcomes at Michigan's public universities and community colleges. Successes include earning a certificate, associate, or bachelor's degree at a public university or community college or transferring from a community college to a 4-year institution as a degree-seeking student. These rates capture both part- and full-time enrollment, as well as mobility between institutions.
