Updated as of April 5, 2023

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our [Report Calendar](#).

Released to the Public

2022-23

- Users can search for Michigan education entities providing Early Middle College programs and the districts sending students to these programs on the **Early Middle College Locations** report. 2021-22 data have also been added.

- The **Special Education Data Portraits** – **Disability**, **Age Range** and **Educational Setting and Demographics** reports show different breakouts of students who received special education services.

- The **Student Characteristics** page on the **Parent Dashboard** provides a detailed breakdown of a school's student population by ethnicity, gender, English Learners, students with disabilities, and economically disadvantaged status. The page also shows average percentages for similar schools and statewide.

2021-22

- The number of Michigan public high school graduates who enrolled in a college or university within 48 months of high school graduation is shown in the **College Enrollment by High School** report.

- The **College Enrollment Destination** report shows which colleges and universities Michigan public high school students enrolled in within 48 months of high school graduation by school or district, and by graduation year.

- Student progression in postsecondary education after high school graduation is shown in the **College Progression by Graduating Class** report.

- The **College Undergraduate Enrollment** report offers a closer look at undergraduates at Michigan's colleges and universities, including the number

of degree-seeking students, student age, and whether students graduated from a Michigan public high school the year prior to enrollment.

- The **CTE Programs Offered** report contains an interactive map showing the locations of Career and Technical Education programs offered in Michigan. Users can search for CTE programs by location or by specific program.

- The **On-Track College Progress** report shows the amount of time Michigan public high school graduates take to earn 24 college credits.

- The following items on the **Parent Dashboard** have been updated:
  - **English Learner Participation** shows whether at least 95% of English learner students took the WIDA test.
  - **Test Participation** shows whether at least 95% of enrolled students took state tests in all subjects.

Coming Soon

2021-22

- The **Postsecondary Student Data File** allows users with secure access to view student-level information on college enrollment, coursework, cumulative credits, program and award information, and GPAs for students from in-state and out-of-state colleges and universities.

- The **Success Rates** report shows the number of degree-seeking students achieving successful outcomes at Michigan's public universities and community colleges. Successes include earning a certificate, associate, or bachelor's degree at a public university or community college or transferring from a community college to a 4-year institution as a degree-seeking student. These rates capture both part- and full-time enrollment, as well as mobility between institutions.
