MI School Data | Michigan's Official Education Data Source · *News and Updates*

Updated July 3, 2024

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our Report Calendar.

Released to users with Secure Access 🔒

2022-23

- The **Special Education Dashboard** 🔒 contains key metrics about students with disabilities in Michigan public schools. The report shows four topic areas: student count (including graduation/dropout data), performance on target indicators used in annual public reporting, counts of students by disabilities, and proficiency on the M-STEP or PSAT in English (ELA/EBRW) and math.

2022-23 and 2023-24

- Various metrics on the **Compare Tool** will be updated. The Compare Tool lets users create a custom report showing data from a variety of topics by selecting from the Location, School Year, Metric and Subgroup menus.

Coming Soon

2022-23

- The **Total School Expenditures Per-Pupil** metric on the **Parent Dashboard** shows how much money a district spent on education in a school, divided by the number of students educated in that school.
