

## **Updated as of March 15, 2023**

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our [Report Calendar](#).

## **Released to the Public**

### **2022-23**

- Counts and types of public entities, including intermediate school districts, local education agencies, public school academies (charter schools) and state facilities, are available in the [District/School Count](#) report.
- The [Pathways to Kindergarten](#) report shows the order in which children enrolled in various publicly funded early childhood education programs before beginning kindergarten.
- Statewide, ISD and district level overviews of the types and counts of education buildings can be found in the [Quick Facts](#) report.
- View counts and percentages of students enrolled in a school outside of the district where they live in the [Schools of Choice and Other Non-Resident Enrollments](#) report.
- The [Statewide Openings and Closings](#) report provides a year-by-year breakdown of how many schools opened and closed.
- The following items on the [Parent Dashboard](#) have been updated:
  - The **Ratio of Students to Support Staff** metric shows the ratio of students to support staff such as guidance counselors and school nurses.
  - The **Ratio of Students to Support Staff** metric shows the ratio of students to support staff such as guidance counselors and school nurses.

### **2021-22**

- Data showing transfer patterns, demographics and performance data for students who transferred into or out of a Michigan college or university are

available in the [College Transfer](#) report.

- The **Community College Demographic Enrollment Profile** data file on the [Community College Data](#) page shows the number of students enrolling in and receiving degrees at Michigan community colleges by age, gender and race/ethnicity.
- The following items on the [Parent Dashboard](#) have been updated:
  - The **Enrolling and Passing Coursework** metric shows the percent of students who enrolled in and passed advanced courses including Advanced Placement, International Baccalaureate, Career and Technical Education, Early Middle College and Dual Enrollment classes. The Advanced Coursework metric on the Parent Dashboard Overview contains the same data and will also be updated. Data for the 2019-20 and 2020-21 school years have also been added.
  - **On-Track Attendance** shows the percent of students who miss fewer than 10% of possible attendance days.

## Released in Preview

Data will be publicly available within a week.

### 2021-22

- The [College Undergraduate Enrollment](#) report offers a closer look at undergraduates at Michigan's colleges and universities, including the number of degree-seeking students, student age, and whether students graduated from a Michigan public high school the year prior to enrollment.

## Coming Soon

### 2022-23

- The [Special Education Data Portraits – Disability, Age Range and Educational Setting and Demographics](#) reports show different breakouts of students who received special education services.

### 2021-22

- The number of Michigan public high school graduates who enrolled in a college or university within 48 months of high school graduation is shown in the [College Enrollment by High School](#) report.
- The [CTE Programs Offered](#) report contains an interactive map showing the locations of Career and Technical Education programs offered in Michigan. Users can search for CTE programs by location or by specific program.

- The [On-Track College Progress](#) report shows the amount of time Michigan public high school graduates take to accumulate 24 college credits.
- The [Success Rates](#) report shows the number of degree-seeking students achieving successful outcomes at Michigan’s public universities and community colleges. Successes include earning a certificate, associate, or bachelor’s degree at a public university or community college or transferring from a community college to a 4-year institution as a degree-seeking student. These rates capture both part- and full-time enrollment, as well as mobility between institutions.
- The following items on the [Parent Dashboard](#) will be updated:
  - **English Learner Participation** shows whether at least 95% of English learner students took the WIDA test.
  - **Test Participation** shows whether at least 95% of enrolled students took state tests in all subjects.
