

Updated as of March 1, 2023

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our [Report Calendar](#).

Recently Released to the Public

2022-23

- The [Early Childhood Program Participation by Kindergarten Class](#) report shows the publicly funded early childhood education programs in which students were enrolled before entering kindergarten, such as *Early On®*, Early Childhood Special Education, Great Start Readiness Program, Head Start and GSRP/Head Start Blend.
- The [Retained in Grade](#) report shows counts and percentages of students who were enrolled in the same grade level for two consecutive years.
- Annual counts and FTE of teachers, administrators, paraprofessionals and other staffing groups are included in the [Staffing Count](#) report, with breakouts by age range, longevity, race/ethnicity, gender and highest education level.

2021-22

- The percent of public high school students who graduated or dropped out is shown in the [Graduation/Dropout Rate](#) report. Users can view four-, five- and six-year rates as well as data for different groups for a selected school year.
- [College Remedial Coursework](#) shows the number of Michigan public high school graduates who took at least one remedial course after enrolling in a Michigan college or university the year after high school graduation.
- The [English Learner Student Growth](#) report shows how much growth English learner students made in learning the English language in comparison to their EL peers, as measured across two consecutive years of the WIDA

ACCESS for ELLs.

- The following items on the [Parent Dashboard](#) have been updated:
 - **Dropout Rate** shows four-, five- and six-year dropout rates for the three most recent school years.
 - **Graduation** shows four-, five- and six-year graduation rates for the three most recent school years.
 - **Percent of Graduates from High School who are Proficient on the SAT** can be used in predicting success at a college or university.

Recently Released in Preview

Data will be publicly available within a week.

2022-23

- The [Pathways to Kindergarten](#) report shows the order in which children enrolled in various publicly funded early childhood education programs before beginning kindergarten.
- The [Schools of Choice and Other Non-Resident Enrollments](#) report displays counts and percentages of students enrolled in a school outside of the district where they live.

2021-22

- Data showing transfer patterns, demographics and performance data for students who transferred into or out of a Michigan college or university are available in the [College Transfer](#) report.

Recently Released for Secure Users

Fall 2022

- The [Postsecondary Student Data File](#) allows users with secure access to view student-level information on college enrollment, coursework, cumulative credits, program and award information, and GPAs for students from in-state and out-of-state colleges and universities.

Coming Soon

2022-23

- The [Quick Facts](#) report provides an overview of the types and counts of education buildings in a selected location. Data can be viewed by state, ISD and district.

- The [Special Education Data Portraits – Disability, Age Range](#) and [Educational Setting and Demographics](#) reports show different breakouts of students who received special education services.

2021-22

- Student progression in postsecondary education after high school graduation is shown in the [College Progression by Graduating Class](#) report.
- The [College Undergraduate Enrollment](#) report offers a closer look at undergraduates at Michigan’s colleges and universities, including the number of degree-seeking students, student age, and whether students graduated from a Michigan public high school the year prior to enrollment.
- The following items on the [Parent Dashboard](#) will be updated:
 - **English Learner Participation** shows whether at least 95% of English learner students took the WIDA test.
 - **On-Track Attendance** shows the percent of students who miss fewer than 10% of possible attendance days.
 - **Test Participation** shows whether at least 95% of enrolled students took state tests in all subjects.
