Coming Soon

2023-24

- The [Special Education Data Portraits](#) – [Disability](#), [Age Range](#) and [Educational Setting and Demographics](#) reports show different breakouts of students who received special education services.

2022-23

- The [CTE Programs Offered](#) report contains an interactive map showing the locations of Career and Technical Education programs in Michigan. Users can search for CTE programs by location or by specific program.
- The [Postsecondary Student Data File](#) lets users with secure access view student-level information on college enrollment, coursework, cumulative credits, program and award information, and GPAs for students from in-state and out-of-state colleges and universities. Fall 2023 6-month data will also be added.
- The [Success Rates](#) report shows the number of degree-seeking students achieving successful outcomes at Michigan’s public universities and community colleges. Successes include earning a certificate, associate, or bachelor’s degree at a public university or community college or transferring from a community college to a 4-year institution as a degree-seeking student. These rates capture both part- and full-time enrollment, as well as mobility between institutions.
