![MI School Data — Michigan's Official Education Data Source | News and Updates]

Updated May 15, 2024

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our [Report Calendar](#).

Released to the Public

2022-23

- The **Postsecondary Success Rates** report shows the number of degree-seeking students achieving successful outcomes at Michigan's public universities and community colleges. Successes include earning a certificate, associate, or bachelor's degree at a public university or community college or transferring from a community college to a 4-year institution as a degree-seeking student. These rates capture both part- and full-time enrollment, as well as mobility between institutions.

2023-24

- The following items on the **Parent Dashboard** have been updated:
- The **Qualified Teaching Staff** metric shows the percentage of teachers, by content area, who are certified in the assignment they are teaching.
- The **Student Characteristics** page provides a detailed breakdown of a school's student population by ethnicity, gender, English Learners, students with disabilities, and economically disadvantaged status. The page also shows average percentages for similar schools and statewide.

Released in Preview

2022-23

- The **Special Education Annual Public Reporting** target and performance data on indicators 1 to 14 for the state, ISDs and districts will be updated. Users can also download data using the **Special Education (Part B)** data files. *Early On®* data are available using the *Early On* **(Part C)** downloadable file. During the preview period, secure users can navigate to the report under Special Education > New Annual Public Reporting. The updated report will be publicly available within a week.
