MI School Data | Michigan's Official Education Data Source | *News and Updates*

Updated as of May 17, 2023

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our Report Calendar.

Released in Preview

2021-22

- Target and performance data on indicators 1 to 14 of the **Special Education Annual Public Reporting** for the state, ISDs and districts have been updated. Users can download data for these reports using the Indicator data files **with Part B (Special Education)**. *Early On®* data are available using the **Part C (*Early On®*)** downloadable file. During the preview period, secure users can navigate to the report under K-12 Grade > Special Education > New Annual Public Reporting. The report will be publicly available on May 26, 2023.

Released to Secure Users

2021-22

- The **Postsecondary Student Data File** allows users with secure access to view student-level information on college enrollment, coursework, cumulative credits, program and award information, and GPAs for students from in-state and out-of-state colleges and universities.

Coming Soon

2022-23

- Data showing the revenue a selected district receives from the state per student enrolled will be updated on the **Foundation Allowance** report.

2021-22

- The **School-Level Expenditure Report** breaks down expenditures of federal, state and local funds for public schools. Users can compare expenditures at county, city, ISD, district or school levels.

- The **Total School Expenditures Per-Pupil** metric on the **Parent Dashboard** shows the amount of money a district spent on education in a school, divided by the number of students educated in that school.
