

## **Updated as of November 15, 2023**

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our [Report Calendar](#).

## **Released to the Public**

### **2022-23**

- School districts rate and evaluate teachers and administrators each year. The [Educator Effectiveness](#) report lets you explore those ratings for a given building, district, ISD or the State of Michigan.
- The WIDA ACCESS for ELLs is an assessment test used to track how well English learner students are learning the English language. The [English Learner Student Growth](#) report uses that assessment to show growth and progress over two or more years for a selected location.
- The [Student Growth](#) report looks at state assessment tests and shows the growth and progress students have made over two or more consecutive assessments.

## **Coming Soon**

### **2022-23**

- [Award After Postsecondary CTE Completion](#) shows counts and percentages of postsecondary Career and Technical Education (CTE) completers who went on to earn postsecondary awards.
- [Entry Level Wages Over Time](#) shows the trend of annual wages for students one year after completing their highest level of education, grouped by level of education completed.
- [High School CTE Status by Educational Attainment](#) shows counts and percentages of highest level of education achieved, grouped based on high school CTE status.

- [\*\*High School CTE Status of Postsecondary CTE Completers\*\*](#) shows statewide counts and percentages of students who have earned a CTE postsecondary award and participated in high school CTE.
- [\*\*Median Annual Wages by Educational Attainment\*\*](#) shows annual wages for students one and five years after completing their highest level of education.
- [\*\*Median Annual Wages by Educational Attainment and High School CTE Status\*\*](#) compares students' wages one year after completing their highest level of education, grouped by high school CTE status and educational attainment.
- [\*\*Median Annual Wages by Field of Study\*\*](#) compares the annual wages of students who earned a postsecondary degree or certificate one and five years after graduation, grouped by field of study. Comparisons can also be made between different fields of study.
- The [\*\*Michigan's Education Staff\*\*](#) Education Focus Area provides statewide and district-level data on staff and student demographics, teacher and support staff retention, student/staff ratios, and support staff assignments.
- [\*\*Postsecondary CTE Awards by High School CTE Status\*\*](#) compares counts and percentages of high school graduates who earned a postsecondary CTE award, based on high school CTE participation.
