

Updated as of November 1, 2023

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our [Report Calendar](#).

Released to the Public

2021-22

- The **Teacher Retention** metric on the [Parent Dashboard](#) displays how many teachers are retained year over year at the same school.

2022-23

- Data showing the number and percent of [Section 31a At Risk](#) 3rd, 8th and 11th grade students who were proficient on state assessment tests will be updated in the [At Risk Student](#) report.
- The **Teacher Years of Experience** metric on the [Parent Dashboard](#) shows the median years of Michigan teaching experience for teachers.

Released in Preview

2022-23

- Data showing how school districts rated the effectiveness of their teachers and administrators will be updated in the [Educator Effectiveness](#) report. Data will be publicly available within a week.

Released to Secure Users

2022-23

- Head Start, Great Start Readiness Program (GSRP) and GSRP/Head Start Blend providers with secure accounts can use the [Third Grade Assessment Outcomes for Early Childhood Participants](#) report to see how students who were previously enrolled in their programs performed on third grade M-STEP assessments.

Coming Soon

2022-23

- [**Award After Postsecondary CTE Completion**](#) shows counts and percentages of postsecondary CTE completers who went on to earn postsecondary awards.
- The [**English Learner Student Growth**](#) report shows how much growth English learner students made in learning the English language in comparison to their EL peers, as measured across two consecutive years of the WIDA ACCESS for ELLs.
- [**Entry Level Wages Over Time**](#) shows the trend of annual wages for students one year after completing their highest level of education, grouped by level of education completed.
- [**High School CTE Status by Educational Attainment**](#) shows counts and percentages of highest level of education achieved, grouped based on high school CTE status.
- [**High School CTE Status of Postsecondary CTE Completers**](#) shows statewide counts and percentages of students who have earned a CTE postsecondary award and participated in high school CTE.
- [**Median Annual Wages by Educational Attainment**](#) shows annual wages for students one and five years after completing their highest level of education.
- [**Median Annual Wages by Educational Attainment and High School CTE Status**](#) compares students' wages one year after completing their highest level of education, grouped by high school CTE status and educational attainment.
- [**Median Annual Wages by Field of Study**](#) compares the annual wages of students who earned a postsecondary degree or certificate one and five years after graduation, grouped by field of study. Comparisons can also be made between different fields of study.
- The [**Michigan's Education Staff**](#) Education Focus Area provides statewide and district-level data on staff and student demographics, teacher and support staff retention, student/staff ratios, and support staff assignments.
- [**Postsecondary CTE Awards by High School CTE Status**](#) compares counts and percentages of high school graduates who earned a postsecondary CTE award, based on high school CTE participation.
- The [**Student Growth**](#) report shows changes in scores for students who have taken two or more consecutive state assessment tests in Michigan. Student

growth is represented by the Student Growth Percentile, which groups students with similar score histories and compares their most recent performance.
