- The **Continuity of Service in Special Education** reports show early intervention and special education services delivered to Michigan children during three important age spans: birth to third birthday, third birthday to kindergarten entry, and kindergarten to 3rd grade.
 - The [Service Comparisons](#) report shows the percentage of students receiving services in each age group for a selected ISD compared to the statewide percentage.
 - The [Service Pathways](#) report shows the number and percentage of children receiving services in each age group, as well as when children began and finished receiving services.
- The [Student Mobility](#) report compares numbers of students transferring to, transferring from, and remaining in a district after fall count day.
- **Student Transfers** metric on the [Parent Dashboard](#) shows the rate of student movement out of a school during a school year (number of student withdrawals divided by the total enrollment at the beginning of the school year).

Coming Soon

2021-22

- Users with secure access can compare student achievement on state standardized tests for a variety of subgroups in the [Achievement Gap](#) report.
- Data showing how school districts rated the effectiveness of their teachers and administrators will be updated in the [Educator Effectiveness](#) report.
- [Michigan's Education Staff](#) Education Focus Area provides statewide and district-level data on staff and student demographics, teacher and support staff

retention, students/staff ratios, and support staff assignments.

- The [Special Education Dashboard](#) contains key metrics about students with disabilities in Michigan public schools. The report shows four topic areas: student count (including graduation/dropout data), performance on target indicators used in annual public reporting, counts of students by disabilities, and proficiency on the M-STEP or PSAT in English (ELA/EBRW) and math. This report is only available to secure users.
