MI School Data
News and Updates

Updated as of June 15, 2022

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our [Report Calendar](#).

Released to Secure Users

2020-21

- The **Postsecondary Student Data File** allows users with secure access to view student-level information on college enrollment, coursework, cumulative credit, program and award information, and GPAs for students from in-state and out-of-state colleges and universities.

Coming Soon

2020-21

- The **Postsecondary: Progress Toward Sixty by 30** Education Focus Area combines data from the Lumina Foundation, National Student Clearinghouse, and CEPI to explore postsecondary enrollment, persistence, and completion rates of Michigan students. The report tracks progress toward Michigan's initiative to increase the percentage of Michigan adults with postsecondary degrees or certificates to 60% by the year 2030.

- Postsecondary data showing enrollment, credit accumulation, remedial coursework and degree attainment, along with select demographic breakdowns for each high school graduating class are packaged in the **Postsecondary Trends by High School** pdf files.
